Chronic Catarrh

Catarrh destroys the sense of smell and taste, consumes the cartilage of the nose, and, unless properly treated, hastens its victim into Consumption. It usually indicates a serious condition of the system, and should be treated, like chronic ulcers and eruptions, through the blood. The most obstinate and dangerous forms of this disagreeable disease

Can be cured by taking Ayer's Sarsaparilla.

It has been cured by taking Ayer's Sarsaparilla. My appetite was very poor, and I felt miserably. None of the remedies I took afforded me any relief, until I commenced using Ayer's Sarsaparilla, of which I have now taken five bottles. The Catarrh has disappeared, and I am growing strong and stout again; my appetite has returned, and my health is fully restored. —Susan E. W. Cook, 509 Albany street, Boston Highlands, Mass.

Ayer's Sarsaparilla.

It is the safest and most reliable of all blood purifiers. No other remedy is so effective in cases of chronic Catarrh. Sold by all Druggists. Price \$1; six bottles, \$4.
