Children Cry FOR FLETCHER'S CASTORIA

One of the most effective vermi-
fuges on the market is Miller's Worm
Powders. They will not only clear the
stomach and bowels of worms, but
will prove a very serviceable medi-
cine for children in regulating the in-
fantile system and maintaining it in a
healthy condition. There is nothing
in their composition that will injure
the most delicate stomach when di-
rections are followed, and they can be
given to children in the full assur-
ance that they will utterly destroy
all worms.

WANSTEAD U. F. O. FIELD DAY

Over 2000 people from all parts
of East Lambton gathered at Wan-
stead on the farm of Thos. Simpson,
to participate in the 2nd annual
field day of the Wanstead U.F.O.

Club on Wednesday, August 23rd. By
one o'clock the cars poured in con-
tinuously, and the program com-
mittee were kept busy till the sun
was set seeing that everybody enjoy-
ed themselves. The committee over-
looked making a ring to run off the
sports in and much time was lost
keeping the large crowds back which
cheered each item of the program.

The basketball game commenced
the program at 1.30 p.m. and it was
a hard fought game. Wanstead and
the eighth line, Enniskillen, old rivals,
found the score 9 all the first
half, but Wanstead came back and
fought desperate the last period pull-
ing out a win 15-20. The children's
races were then run off and were
keenly contested. Although all could
not win the main prizes, our big
hearted secretary Arch. Williamson
saw that each child had sufficient re-
ward to make a trip to the icecream
booth. The young men then showed
their sportmanship in the pole vault.
Arch. McDougall proved the best
man with the pole, jumping a little
higher than eight feet. C. J. McCor-
mick and Kemp were tied at a couple
of inches lower.

What appeared to amuse the
crowd the most was the ladies base
ball game between Mandaum and
Oban, the former winning 18-20.
The 12th line Enniskillen handed the
Comets a shutout the final score be-
ing 8-0. The potato race gave the
boys a run for their money, R. E.
Johnson getting the most potatoes in
the shortest time.

Alex McMillan's team of Wyoming
drew the 24 men on 100 ft. of rope,
Marshall Hoskins of Uttotexeter, had
the best drawing team on the ground
but McMillan's team were about a
half ton heavier.

Then came the ladies hitching
contest which was very exciting indeed.
Miss Annie Morgan of Kerth won
first money winning from Margaret
Ferguson a 12 year old girl by a few
seconds, Miss Margaret would have
won only she got into her buggy
without the lines.

The horse races attracted a large
crowd while the girls baseball game
was being played. Stanley Scott of
Forest took first money, beating
Ernest Freer of Petrolia by a neck.
Johnson of Camlachie was third, fol-
lowing close behind all the way.

The concert in the evening was a
great success, it being held on the
school grounds. McIntosh's orchestra
of Wyoming supplied an abundance
of music, while a couple of gentle-
men from Petrolia treated the crowd
to some moving pictures. Local tal-
ent also shared in the making of a
splendid entertainment. The U.F.W.
O. had a booth on the grounds and
kept the inner man satisfied. Gate
receipts \$77.

Eases Kitchen Work

To Women Who Do Their Own Work: Suppose
you could save six minutes every day in washing
pots and pans—two minutes after every meal. In
a month, this would amount to a saving of three
hours of this disagreeable but necessary work.
This saving can be made by using **SMP** enameled
kitchen utensils, as their smooth sanitary surface
will not absorb dirt or grease. No scraping, scouring or
polishing is needed when you use Diamond or Pearl Ware.
Soap, water and a dish towel is all you need. Ask for

Self-Oiling Windmills

"Oil Once a Year"

I can now show you a Windmill that
requires "oil only once a year."

The TORONTO Self-Oiling Windmill.

All gears operate in a bath of
special oil which is not affected by
either heat or cold—every bearing
and working part is thoroughly and
automatically lubricated.

No more climbing towers in all
kinds of weather to oil the Mill. The
NEW TORONTO requires "oil only
once a year."

If you already own a TORONTO Wind-
mill, I can give you this self-oiling feature
by merely interchanging the head and
using your present wheel.

This New Mill is worth looking over—
call in and I will be pleased to give you
full information and prices
