CORRESPONDENCE

Bridgetown, N. S., Sept 4, 1920

Mr. Editor: I am sure that those in Bridgetown who are interested in ball and sports in general, were much surprised and chagrined at the article appearing in your last issue entitled "Sportsmanship" and signed "Fair Play". I fully concur with the statements in the first part of the letter, where reference is made to the Empire and the attitude of the players towards his decisions. I think all good sportsmen are of the one opinion in this respect, and realize that the Empire has a most difficult position to fill and all good sports will not question the Empire's decision during a game.

However, what concerns my few lines, is the unskillful for attack on the Ball team of our sister town of Middleton. I wish to state here Mr. Editor, that I doubt if there is one TRUE sportsman in Bridgetown who has anything but the highest respect for the boys of the Middleton Base Ball Team, nor who consider they are anything but good sportsmen in the HIGHEST SENSE OF THE TERM.

While never myself a ball player, I have in past years been very much in other games of sports, and let me say that whatever the game was, we always found our Middleton opponents most courteous and good sports, and I am quite satisfied that the boys who play for Middleton today are maintaining that same standard.

I sincerely trust that Middleton's Ball team and the citizens generally will not get any wrong impressions, from what to say the least, was a most ungracious letter. Bridgetown has always been pleased to boost Middleton's base ball and we entertained high hopes on Friday of them defeating Yarmouth and finally bringing home the cup for the Valley League.

I thank you, Mr. Editor, for permitting me to express what I am confident is the true feeling of Bridgetown boys and citizens.

"THE BRITISH APPLE MARKET"

Fruit Commissioner to Speak in Bridgetown on September 10th

Arrangements have been made by Mr. F. W. Foster, Secretary of the Nova Scotia Fruit Growers' Association, for a series of meetings of Nova Scotia fruit growers, to be addressed by Mr. J. Forsyth Smith, Canadian Fruit Trade Commissioner in England. These meetings will be held in the evenings at the following centres: Middleton, Sept 8; Kingston, Sept 9; Bridgetown, Sept 10; Wolfville, Sept 11.

Mr. Smith, who represents the Dominion Department of Trade and Commerce, in carrying the British apple market for the Canadian apple industry has just completed a tour of British Columbia and Ontario apple producing centres, where similar meetings have been held, and has much of interest to discuss with Nova Scotia apple growers before he sails for the Old Country on September 18 to resume his duties on the market.

Among the points that will be dealt with in his addresses are: The working of the British Government apple price order; the general conditions affecting the sales of apples on the market, variety, size and color preferences; box packing for Nova Scotia apples; apple requirements in Norway, Denmark and Holland; development of the English apple industry; the working of the different systems of distribution, etc.

The meeting will be held in Bridgetown on Friday, September 10 and it is hoped that a good gathering of local fruit growers will assemble to take advantage of this unique opportunity of securing first hand information as to these important matters.

WHY HE WAS ABSENT

Two locomotive engineers met on the street. Bill sang out to Jim: "We voted to strike at the meeting today, but I didn't see you there."

"No," replied Jim, "I couldn't get down town on account of the street carmen's strike. Those fellows have no consideration at all for the public!"
