

We have just received from the manufacturers a large lot of cartons for holding the 41x41 section, something similar to the engraving. Our catalogue price at the present time is \$14 per thousand, but we have purchased these at a figure thet

will enable us to make them \$9 per thousand, \$1 Per hundred and 13 cents per ten. When the comb honey labels A. and B. are used on them they make a handsome package for comb honey. The illustration shows you label A. None of them have tape handles, and we make the price per thouand less than if they had. A 3 cent stamp will secure you a sample by return mail.
