 Harris, Heenan & Co.
 Dear Sirs.—Your Patent Sewed Belt has been in use in our "City Mills" for some time. We are thoroughly convinced of its superiority over any belt, American or Canadian, we have used in an experience of over 5 years. It stretches so little, and gives so little trouble, that compared with riveted "reling" the sewed belt saves double its price in time and labor saved. We heartily recommend it to manufacturers, as the cheapest and most satisfactory belt in the market.
 Yours respectfully,
 W. C. MARSHALL,
 Foreman City Flour Mills.

 Messrs. Harris Heenan & Co., Montreal.
 I have pleasure in recommending the belting manufactured by Messrs. Harris & Co. of this city. After thoroughly testing it, I find it greatly superior to all belting that has come under my notice and fully equal to all they claim for it, and certainly without an equal for cross or double belting.
