Single Reaping Machines,

Single Mowing Machines,

MANUFACTURED BY

**B. BELL & SON, - - - St. George, Ont.**

Farmers, we beg to call your attention to a few facts:—That our Ohio and Buckeye Self-Raking Machine has the largest driving wheel in use. The construction is greatly simplified. The Rake is the best and most popular. The Guards are the best quality of wrought iron, laid with steel and tempered. The Mower Cutter Bars are Jowett's best steel, hammered. The Reaper Bars are wrought iron. The Reaper which one complete Knife and one Sickle. The Mower has two Knives and are made by Whitman & Miles, the best and most extensive manufacturers in the world. The Table lifter for setting the cutter high or low is complete. The manner of drawing and obviating side draft is a grand improvement. Our Single Mower is large, strong, durable and received 2nd prize at Provincial Trial at Paris in 1871. Cuts the heaviest grass without clogging or slipping. Our celebrated St. George Combined and Single Reaper with Self-Dropper, cannot be surpassed for strength and durability. Cuts a 6 foot swath, and is the lightest draft reaper made.

We also continue to manufacture Land Rollers, Drag Sawing Machines, Ploughs in every style, Cast or Steel Wood or Iron Beam. Straw and Root cutters of the most celebrated kinds, and the best Two Horse Cultivators in use with one or two sets of teeth, wrought iron axels, large wheels with pipe box. Self regulating, and cheapest in the market. Send for an illustrated catalogue.
