TEN YEARS OF 5 1/2

Upper Canada in Peace and War (1805-15).

Being the Ridout Letters, with Annotations by MATILDA EDGAR.

Demy, 8vo, 396 pp. Price, postpaid, \$2.00.

"This is a book that will be read with the greatest pleasure by all Canadians. From the papers of the Ridout Family, Mrs. Edgar has culled the material for one of the most interesting works of Canadian history. It treats directly of a few eventful years only, but indirectly of a period of time which laps two generations over. Necessarily there is much original matter in the volume, but it is all essential to a full understanding of the time and is remarkably well done. Mrs. Edgar has so arranged the story and the methods of telling it, that the reader is to lay the book down. In the chapters which precede the outbreak of the war are pictures of the times, painted with the same fidelity which familiarizes our eyes with the letters of Mr. T. G. Ridout are literary accomplishments in themselves, and Mrs. Edgar's compilation of these and other documents, with her own contributions, have resulted in a most valuable addition to the Library of Canada. The book will be read a first time for its romance, and will be constantly referred to for its accurate and valuable information."—*Montreal Herald.*
