The New System of Medicine.

Have you heard of the reform in medicine? If not, you are behind the times. Send 3-cent stamp at once for free medical book of nearly two hundred pages.

"THE ENTIRE REVOLUTION OF MEDICINE."

By DR. J. EUGENE JORDAN.

The greatest boon ever given suffering humanity. No poisonous drugs used in this beautiful system, and medicines are perfectly tasteless. Hundreds of dollars saved in doctors' and undertakers' bills, and lives of misery through pain and suffering converted into happiness by using this System. Why destroy yourself with poisonous drugs and fill a suicide's grave? It will be a poor excuse for the drunkard at the last great day to plead that the traffic was legalized. Send for our free book, then, and read it with an unprejudiced mind, if you would love life and see many days.

In order to spread the fame of these wonderful Remedies quickly, we have decided to sell them at half price for one month, beginning Monday, 21st December. Each patient will receive one month's treatment only at the reduced price. We do this to allow sufferers to test the Medicines at a small outlay, which will only be \$4, \$6 or \$8 respectively for the month's treatment, according to the number of kinds of Medicines required to cover the case. Invalids treated successfully at a distance by means of question sheets. Testimonials on application. Many of our patients in Toronto and London request us to send inquirers to them for personal interview. All business or communications strictly confidential. Always send money by post office order. DONALD KENNEDY Of Roxbury, Mass., Says:

Strange cases cured by my Medical Discovery come to me every day. Here is one of Paralysis—Blindness—and the Grip. Now, how does my Medical Discovery cure all these? I don't know, unless it takes hold of the Hidden Poison that makes all Humor.

VIRGINIA CITY, NEVADA, Sept. 9th, 1891.

Donald Kennedy—Dear Sir: I will state my case to you: About nine years ago I was paralyzed in my left side, and the best doctors gave me no relief for two years, and I was advised to try your Discovery, which did its duty, and in a few months I was restored to health. About four years ago I became blind in my left eye by a spotted cataract. Last March I was taken with La Grippe, and was confined to my bed for three months. At the end of that time, as in the start, then it struck me that your Discovery was the thing for me; so I got a bottle, and before it was half gone I was able to go to my work in the mines. Now in regard to my eyes, as I lost my left eye, and about six months ago my right eye became affected with black spots over the sight as did the left eye—perhaps some twenty of them—but since I have been using your Discovery they all left my right eye but one and, thank God, the bright light of heaven is once more making its appearance in my left eye. I am wonderfully astonished at it, and thank God and your Medical Discovery. Yours truly, HANK WHITE.
