

And for the real love that was in it,  
The work shall seem perfect as mine;  
And because it was willing service,  
I will crown it with plaudits divine."

And there, in the deepening twilight,  
I seemed to be clasping a Hand,  
And to feel a great love constraining me,  
Stronger than any command.

Then I knew by the thrill of sweetness  
'Twas the Hand of the Blessed One,  
Which would tenderly guide and hold me  
Till all the labor is done.

So my thoughts were never more gloomy,  
My faith no longer is dim;  
But my heart is strong and restful,  
And mine eyes are unto Him.

What we truly and earnestly aspire  
to be, that in some sense we are. The  
mere aspiration, by changing the frame  
of the mind, for the moment realizes  
itself.—*Mrs. Jameson.*

### NOTICE.

To the Members of Illinois Yearly Meeting :

At our late Yearly Meeting the committee in charge  
of "Western Department" in one of our society papers,  
was continued, and the committee decided to continue  
with the YOUNG FRIENDS' REVIEW. The correspond-  
ents named last year were continued for the coming  
year, and it is earnestly desired that you diligently  
endeavor to increase the subscription list. It certainly  
would be entirely within our reach to double our list  
from this Yearly Meeting. There are some localities  
that have never responded with a communication of any  
character. This is not right. The paper is, and will  
be to some extent, what we make it. We can have a  
twenty-page weekly if we do our whole duty. And how  
can we make a more worthy effort than in this direc-  
tion? You in the far West give us a little account of  
your surroundings, your desires and needs, of your  
efforts to hold meetings, of visiting Friends, and any  
other items of general interest, just such as you first  
look for on receiving the paper. Sincerely,

EDWARD COALE, Chairman of Com.

BOARDING SCHOOL FOR BOYS AND GIRLS.

PLAINFIELD, - NEW JERSEY.

This is a select home school where each pupil is  
treated as a member of the family, and brought under  
refined influences. Situated in the beautiful city of  
homes. The buildings are now new, and modern in  
all their appointments—halls, parlors, libraries, spacious  
class rooms, and single bedrooms, all heated by steam.  
Owing to the enlarged buildings, we have decided to  
receive girls as well as boys, and all will be under  
thorough instruction and management. We desire to  
develop intelligent, upright, honest men and women  
and to this end we aim to surround them with such  
influences as will bring out their better natures and  
inspire a desire for study and improvement.
