Certain phases of American life are treated in Howells' "Heard of New Fortunes" as they have been by no other writer. It is not dull photography, it is artistic etching that shows the keenest appreciation of values, and sensitive sympathetic technique that combines strength and delicacy. Read this book and tell me not what you think of the book but what it makes you think of; is not that the real test of a book?

DRAUGHTS-CHECKERS

THE TEAM MATCH.

The score in the return match between the Halifax and the Shubenacadie teams which was played on the 23rd. inst. was as follows:—

Name.	Won.	Lost.	Drawn.	Aggregate Wins*
Hamilton	6	0	2	7
Forsyth	5	2	1	5 1/2
Wickwire	4	3	1	4 1/2
Lynch	2	1	5	4 1/2
O'Hearn	2	3	3	3 1/2
Forbes	2	4	2	3
Grauville	0	4	4	2
Fysche	1	5	2	2

* Each draw counts a half win to each player.

Mr. Hamilton, having won the first place in both matches between the two teams, deserves the credit therefor. In our opinion he is a splendid amateur. He has few equals and no superiors in this Province.

CHAMPIONSHIP.

It has been suggested that a match for the amateur championship of this Province might be brought about, and we consider the idea quite feasible of execution. All checker players in Nova Scotia who favor the idea will please send their names and addresses to our Checker Editor. Suggestions as to a fitting prize and other details will be thankfully received and obtain due consideration.

YARMOUTH CHAMPIONSHIP.

The Yarmouth Times announces that "Mr. S. C. Hood has captured the gold medal for the Yarmouth championship. He challenged Mr. Fred. Peterkin, who first won the medal, to play him 21 games. The result was 4 games for Peterkin, 9 for Hood, and 4 draws, leaving Hood the winner without needing to finish the series."
