

# INDEX TO VOLUME VI,

---

	PAGE.
Acacia, mucilage, preservation of .....	100
Acid, arsenious, effect on the teeth .....	180
“ carbolic test for .....	74, 114
“ carbolic, poisonous properties of .....	99
“ carbolic, new reaction for .....	320
“ carbolic, substitution for creasote .....	344
“ carbolic, poisoning by .....	379
“ hydrochloric, pure, preparation of .....	76
“ hydrochloric, detection of impurities in .....	36, 228
“ hydrocyanic, preservation of .....	223
“ oleic, and some of its combinations .....	162
“ oleic, and oleate of mercury .....	308
“ sulphovinic .....	440
“ sulphuric, duties on .....	258
“ tannic, purification of .....	152
“ tannic, explosive mixture of .....	446
“ vanillic, properties of .....	261
Aconite root, note on .....	337
Aconitine, crystallized .....	227
<i>Adrian M.</i> , on hypodermic injections .....	47
Adulteration of food and drugs .....	179
Albumin and starch .....	223
Alcohol, absolute, preparation of .....	32
“ absolute, adulteration with ether .....	420
“ amylic, in chloroform, detection of .....	418
“ dilute, solution of sugar in .....	342
“ physiological action of .....	245
“ morbid effects of .....	323
“ detection of in ether .....	228
Alkalies, conversion of sulphates of .....	309
Alkaloids, sulpho-molybdate of ammonia, a test for .....	359
“ cinchona, effect of manures on yield of .....	302
“ in cinchona leaves .....	301
“ of hydrastis canadensis .....	290
“ in commercial elixirs, quantity of .....	283, 306
Aloes, trade in .....	77
“ note on .....	360
American pharmaceutical association, annual meeting of .....	101
Ammonia, sulpho-molybdate, a test for alkaloids .....	359
“ liniment of .....	58
Ammoniacum, source of .....	402
Apomorpha, therapeutical value of .....	288
Apothecaries, ancient .....	168
Aniline colors, glycerine a solvent of .....	99
“ colors, new use for .....	74
Arnica, aromatic tincture of .....	339
Arsenic, fusion of .....	181
“ detection of in hydrochloric acid .....	36, 417
Arsenical cosmetic lotion .....	73
Artificial ivory .....	225
Atropia, preparation from belladonna .....	57
<i>Aubert, H.</i> , on the amount of caffenin in coffee .....	254
Aurantii tinctura .....	212
“ tinct. recentis .....	411
<i>Bakes, W. C.</i> , on the use of bullock's blood in medicine .....	253
Balsam of copaiba .....	280
<i>Bedall, Dr. C.</i> , on koussin as a remedy for tapeworm .....	86
<i>Bellucci, C.</i> , on the formation of ozone by plants .....	92
