

DR. MCINTOSH'S NATURAL UTERINE SUPPORTER.

No Instrument has ever been placed before the
Medical Profession which has given such
Universal Satisfaction.

EVERY INDICATION OF UTERINE DISPLACEMENTS is met by this combination; Prolapsus, Anteversion, Retroversion and Flexions are overcome by this instrument, when others fail. This is proven by the fact that since its introduction to the Profession it has come into more general use than all other instruments combined.

UNION OF EXTERNAL AND INTERNAL SUPPORT.—The abdomen is held up by the broad morocco leather belt, with con-
cave front, and elastic straps to buckle around the hips. The Uterine Support is a cup and stem made of highly polished hard rubber, very
light and durable, shaped to fit the neck of the womb, with openings for the secretions to pass out, as shown by the cuts. Cups are made
with extended lips to correct flexions and versions of the womb.

ADAPTABILITY TO VARYING POSITIONS OF THE BODY.—The cup and stem are suspended from the belt by two soft
elastic Rubber Tubes, which are fastened to the front of the belt by simple loops, pass down and through the stem of the cup and up to the
back of the belt. These soft rubber tubes, being elastic, adapt themselves to all the varying positions of the body and perform the service
of the ligaments of the womb.

SELF ADJUSTING.—One of the many reasons which recommend this Supporter to the Physician is that it is self adjusting. The
physician after applying it need have no fear that he will be called in haste to remove or readjust it, (as is often the case with rings and
various pessaries held in position by pressure against the vaginal wall) as the patient can remove it at will, and replace it without assistance.

It can be worn at all times, will not interfere with nature's necessities, will not corrode, and is lighter than metal. It will answer for all
cases of Anteversion, Retroversion, or any Flexion of the womb, and is used by the leading Physicians with unflinching success, even in the
most difficult cases.

Our Reduced Prices are, to Physicians, \$7.00. to Patients, \$10.00.

Toronto, or F. GROSS, 682 to 690 Craig Street, Montreal. **CAUTION.**—We call particular attention of Physicians to the fact,
that unscrupulous parties are manufacturing a worthless imitation of this Supporter, and some dishonest dealers, for the sake of gain, are
trying to sell them, knowing they are deceiving both physician and patient. Persons receiving a Supporter will find, if it is
genuine, the directions pasted in the cover of the box, with the head-line "DR. L. D. MCINTOSH'S NATURAL UTERINE
SUPPORTER"; a cut on the right, showing the Supporter, and on the left its application; also the Fac Simile Signature of DR. L. D.
MCINTOSH. Each pad of the abdominal belt is stamped in gilt letters, DR. MCINTOSH'S NATURAL UTERINE SUPPORTER CO., CHI-
CAGO, ILL. Each box also contains our pamphlet on "DISPLACEMENTS OF THE WOMB," and an extra pair of RUBBER TUBES.
