STYLO. AND FOUNTAIN PENS

in Great Britain.

We have had 20 years' experience and have supplied pens to every country in the civilized world. We believe that, with the preferential tariff in our favour, we can supply Canada with these goods, and show an advantage in price and quality over any other house. If our patterns are not right for your market, we will be glad to learn your requirements. Correspondence invited from leading buyers. Stylo pens are, we believe, not so greatly sold in Canada as in England. But no doubt you do sell some, and we can do our No. 30 (as illustrated) to jobbers (in lots of not

less than 1 gross) boxed complete, with your imprint (if desired), at 22 CENTS EACH, free London, England, less 5 per cent. for cash in 30 days. The same pen, with Spring Needle, No. 31, 28 CENTS EACH. This is a gem, and writes as well as the most costly style made. Samples willingly sent to bona-fide trade enquirers.
