

MERELY A SUGGESTION.

In selecting a Piano it is but ordinary prudence to confine your investigations to instruments of known repute for acknowledged excellence, and from these select the one that proves to have the greatest merits and whose superior qualities are guaranteed by the reputation of its makers. THE MASON & RISCH PIANOS have a world-wide reputation for purity and brilliancy of tone, precision, and elasticity of action and general artistic excellence. They meet all the requirements of the most fastidious pianists.

ON 40 DAYS' TRIAL THE GREAT SPIRAL TRUSS

The Truss is different from all others. It closes the Hernia as if your extended hand was drawn together and one finger pointed in the centre. It is held positive day and night with the slightest pressure, and healed same as a broken leg. You will be allowed three exchanges during the 40 days. There is no duty to pay when received or returned, which many Canadians found more expensive than the truss. It is the easiest, most durable, and cheapest Truss. Sent by mail. Send stamp for illustrated book. "THE CLUTHE, Surgical Machinist, 181 King St. W., Toronto."
