

NEWS.

SETTLEMENT OF THE SAGUENAY.—We are informed that the Rev. Mr. Boucher, Curé of La Jeune Lorette, arrived on Friday, to pay a hurried visit to his parishioners, from the Saguenay country, whither he has conducted a party of about one hundred young men, for the purpose of opening lands in one of the lately erected townships in that locality, having volunteered to be their pioneer through the wilds of the forest. Mr. B., in the early part of his ministry, was engaged in the missions of the Red River, and possesses considerable experience in travelling through unsettled countries, which renders him a most valuable guide to this enterprising and industrious band. On Sunday last, in giving a short account to his congregation of the doings of the young settlers, some of whose parents were among the anxious hearers, he stated that he felt much pleasure in being enabled to report to them that they were all in good health, and none of them had met with the slightest accident. They had encountered no difficulty in reaching their destination, had but one "portage" to make, where they had met several last summer, and had arrived on their respective lots with their provisions and necessaries, six days after they had left Quebec; in fine, everything wore a most encouraging aspect. The Rev. Mr. Hébert, Curé of St. Paschal, has also an establishment of young men from his parish, within a few arpents of theirs, and has taken charge of Mr. B's associates during his short absence. The reverend gentleman returned to his labors to-day by the steamer Rowland Hill. This is a very promising beginning of the colonization of the townships. How much better for the surplus of the population of our country parishes to follow in the train of the Rev. Mr. Boucher, than to go over to our neighbors, to be very often engaged by them in the most menial employments. We wish this noble and generous enterprise all the success it so justly merits.—*Quebec Mercury.*

IMPORTANT DISCOVERY.—Mr. George Duberger, Surveyor, while employed on the Crown Lands in the Saguenay county, has lately discovered, on the Roman river, in the new township of Ilerville, several descriptions of earth fit for the use of painters, and which from their colors and superior quality, are likely to prove of considerable value. Three specimens, which have been submitted to some of the first artists of the city, have been pronounced equal in quality, if not superior, to the same colors of the best European manufacture. They are to be obtained in abundance in the locality, which is situated some thirty miles from the river Saguenay, on its northern bank. The government has already forwarded instructions to Mr. Duberger to take possession of a certain portion of the land as Crown reserve.—*Quebec Chronicle.*

Mr. David Solomons is invited to stand for the borough of Lambeth.

ARRIVAL OF THE EUROPA AT HALIFAX.

ONE WEEK LATER FROM EUROPE.

HALIFAX TELEGRAPH OFFICE,
Tuesday Morning, Aug. 20.

The steamship Europa, from Liverpool, on Saturday week, 11, A. M., arrived here at half-past 10 o'clock last night. She took in about 50 chaldrons of coal, and sailed for Boston with a northerly wind, at half-past 12.

The Atlantic arrived at Liverpool on Tuesday, at midnight. Her running time from dock to dock, is stated at ten days, eight hours and twenty minutes. Thus beating all previous passages by many hours. The Hibernia arrived on Sunday evening.

The Packet ships Constellations from New York, and Parliament from Boston, were passed at the Bell buoy going into Liverpool; also Anna Tiffe. The steamship Washington arrived at Southampton 4th inst., and at Bremen 6th.

Business in the manufacturing districts continues brisk. The prospect of an abundant harvest is generally good, except for potatoes, for which serious apprehensions are beginning to be felt.

SECOND DESPATCH.

The Irish tenant right conference meeting now being held at Dublin, is said to be a noble assembly, and though its declarations are somewhat staggering, its orderly and business-like attitude is suggestive of success. What Sir Robert Peel over and over again in late Sessions asked for Ireland, a comprehensive legislation, the conference certainly offers; for their proposal is equivalent to a social revolution, the placing of the land in the hands of the people.

The conference is composed of the ablest men of the country.

The announcement of the end of the repeal movement was premature. At a meeting last week, the rent was declared at twenty-eight pounds, and it is now said the society is nearly out of debt.

The Gorham controversy has been brought to a close, the Reverend gentleman having gained his point in every respect.
