

AND STILL THEY COME.

HUNDREDS MORE JOIN THE CHORUS.

THE LIST OF GRATEFUL MONTREALERS STILL UNEXHAUSTED.

Mad. Geo. Malouin, 243 Wolfe St., says: My son, seventeen years old, suffered for three years from Bronchitis. Four 50c bottles of Dr. Lavolette's Syrup of Turpentine effected a complete and permanent cure. It is now eight months since he was cured and there has not been a sign of Bronchitis. I have recommended this remedy to a number of my friends and they are all meeting with satisfactory results.

Jos. Perreault, 317 Wolfe St., says: I suffered for three years from a complication of Catarrh, Bronchitis and Asthma, and I tried so many remedies unavailingly that I was almost discouraged. I was so bad that I could not attend to my business, being obliged to remain at home half my time. My doctor prescribed Dr. Lavolette's Syrup of Turpentine with the result that I now feel like a new man, and I have not missed a day at my work for five months. I cannot speak too highly of this marvelous remedy.

Mad. Anthime Rochon, 455 Jacques Cartier St., says: My little boy, three years old, suffered for one year from Bronchitis. I tried several remedies without any effect. Two 50c bottles of Dr. Lavolette's Syrup of Turpentine effected a complete and permanent cure.

Mr. Oscar Rivet, painter, 270A Lafontaine St., says: I suffered for four months from a severe attack of Bronchitis and I have been completely cured by using four 25c bottles of Dr. Lavolette's Syrup of Turpentine.

Mad. Roch St. Cyr, 62 St. Alphonse St., says: My little boy, six years old, suffered from Bronchitis for four years, his lungs at the same time being very weak indeed; we tried several remedies without any apparent change in the boy's condition. Four 25c bottles of Dr. Lavolette's Syrup of Turpentine completely cured the Bronchitis and strengthened his lungs and he is to-day quite well and strong, thanks to this wonderful remedy.

Madam Charles Berard, 180 Dorchester St., says: My little boy, 13 months old, suffered for two months from a bad attack of Bronchitis; I tried several remedies without avail; two 25c bottles of Dr. Lavolette's Syrup of Turpentine cured him completely.

Jos. Bruyere, 250 St. Christophe St., says: I suffered for two years from severe Bronchitis and had given up hopes of ever being cured. Two 50c bottles of Dr. Lavolette's Syrup of Turpentine, I am delighted to say, effected a complete and permanent cure.

J. N. Carriere, 1397 Mignonne St., says: My mother, aged 78 years, was a sufferer for ten long years from Chronic Bronchitis, and as she has been perfectly cured by using two 50c bottles of Dr. Lavolette's Syrup of Turpentine, I consider it to be my duty to add my name to the long list of those who testify to the merit of this wonderful remedy; the preparation really acted like magic in her case.

Madam Ed. Toupin, 1107 St. Antoine St., St. Henri, says: I suffered for a long time from a most severe attack of that terrible malady "La Grippe," and I made use of several remedies without getting any relief whatever; three 25c bottles of Dr. Lavolette's Syrup of Turpentine effected a complete and permanent cure.

Madam J. B. Richard, 3442 Notre Dame St., says: I am pleased to certify that I have been cured of a most dangerous attack of "La Grippe" by using Dr. Lavolette's Syrup of Turpentine.

(To be continued next week.)

The publication of the hundreds of testimonials I am daily receiving will occupy many columns of the TRUE WITNESS. It will be continued every week during the winter. Persons desirous of verifying their correctness can cut out and preserve this column and apply at the addresses given.

DON'T TOUCH LIQUOR.

If you are the father of a family, do not touch intoxicating drinks. Why? Because your example may be the means of causing misery here and hereafter to those who look up to you as their guide and example. If you are a mother, do not use it yourself nor allow its use in your home if you value the manhood of your sons or the womanhood of your daughters. If you are a young woman, do not offer it to your gentlemen friends, and if tempted to do so, just think for a moment of the terrible responsibility you assume. The glass you offer may be the means of starting the young man on the downward road to ruin and death.—*Sacred Heart Review.*
