The Cincinnati Commerciat publishes a letter which | Municipal Corporation ? considered last December, under cover for transmission to Mr. Lincoln, from a gentleman in one of the Gulf States. He gave references to business houses in Cincinnati who vouch for his reliability, and states that on the 15th December he became possesset of information rendering it positive that an at-tempt was to be made on Mr. Lincoln's life on insuguration day. A wealthy and influential man, living in the town where the writer resided, had openly declared that he would kill Mr. Lincoln; and the plan, as devised by himself and friends, was for three or four hundred of the conspirators to collect at some convenient point on inauguration day, with the one who aspired to be the assassin in their midst. While Mr. Lincoln was speaking he was to shoot him with a rifle, probably a Maynard, made in such a manner that it could be carried in an inside coat pocket. His friends, it was expected, would be able to shield the assassin from detection whether he was successful or not. Two weeks after the receipt of this letter, the editor of the Commercial received another from the same source, reaffirming the information first given.

AT BREAKFAST. - Q. What is the Schleswig-Holstein question, Papa? A. Well, my dear boy, I am pleased to see that you have an inquiring mind, and take notice of what is said in your presence, and I will endeavour to make you understand. Schleswig-Holstein is in Denmark—that is, it is not exactly in Denmark, at least Sobleswig may be called so, but not Holstein-no, it is Holstein that may be consideral Danish, or, if you like a long word better, Scandinavian. Let me see, what did I say-O yes, Holstein is the German division of the territory, and Schleswig is an ancient fief (you know what a fief is) of the Crown, and was ceded in 1826; that is to say. Holstein was ceded, not Schleswig, Holstein having been an ancient fief of Germany, and therefore you see Prussia takes an interest in the question, as part of the German Confederation; but Lord John Russell is only in the matter as a mutual rei and, and he thinks that the proposals of Prussia ..., I mean Denmark, yes, of murse Denmark, that concessions shall be made to Hoistein no, Holstein does not want concessions, but a veto (that is Latin for, I want concessions, but a veto (that is Latin for, I forbid) upon taxation and other things, and Schlesthe construction of bridges in the said Municipality. wig to be assowed to speak German-well Lord John thiaks this fair, but the Prussian minister does not think that Prussia-at least Denmark, has any right to impose conditions of this sort , because there was a promise of a constitution to Schleswig or Holstein, I forget which, but the principle is the same ; and there are some other points mixed up with it which you might not be able to understand so easily as the simple outline of the case which I have given you. Pres my cup to your Mamma. - Punch

The call for Perry Davis' Pain Killer is increasing so very rapidly that I fear I shall soon be unable to keep pace with it. My object in writing now is to beg that on receipt of this you will kindly despatch another shipment, as ordered in my letter of June and to approve or disapprove it. last J. L. CARRAU, Calcutta, E. I

Mr. Perry Davis—Sir: I have used, in my family, your medicine called "Pain Killer," for many purposes, and have found it a very useful and valuable article. I therefore very cheerfully recommend it to the public regards.

REV. HENRY CLARK.

Sometime in December last, my children were taken down with scarlet fever, or canker rash - my only medicine was Davis' Pain Killer and Castor Oil, the Pain Killer operating to a charm in cutting the canker, and throwing out the rash, so that in about five weeks my family were entirely recovered. CORNELIUS G. VANDENBURG, Saratoga Springs.

Having used Perry Davis' Vegetable Pain Killer in my family during the winter past, I would urge its general use for the purposes for which the layen-tor has recommended it. I think it invaluable, and would not like to be deprived of its advantages.

AYER'S CATHARTIC

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable. These symptoms are often the prelade to serious illness. Some iff of sickness is creeping upon you, and should be averted by a timely use of the right recordy. Take A yer's bills, and creamed out the disordered humors as for iff the blood, and let the dade into you, and should be averted by a timely use of the right recordy. Take A yer's bills, and creamed out the disordered humors as for iff the blood, and let the dade into you out the disordered humors are in the bedy into yigorous activity, purify the system from the obstructions which make the factions of the bedy and obstructions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements take Averballis, and see how directly they restore the natural collection of the system, and with it the buoyant feeling of health agains. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The some purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, early duy the same means. Some who know the varues of these trus, were neglect to employ them when suffering from the disor ders they care.

Statements from leading physicians in some of the principal cities, and from other well known public jer sons.
