

Saskatchewan Legislative Buildings, Regina.

E. &amp; W. S. Maxwell, Architects.

BUILT IN ACCORDANCE WITH THE

**KAHN SYSTEM**

of REINFORCED CONCRETE

The "Kahn System" covers the entire field of permanent fire-proof construction from garage to industrial plant, from residence to skyscraper and governmental buildings.

Our Floretyle construction is sound-proof and fire-proof, and reduces cost of office buildings, hotels, hospitals and apartment houses, residences, etc. Particulars gladly furnished.

Kahn Steel Sash, for use in factories, warehouses, power plants, etc., is made of specially rolled mild steel sections; is fire-proof, weather-proof, permanent. Double contact ventilators, hinged on Kahn's Patent Hinges.
