
International Trade Centres

External Affairs and International Trade Canada and Industry, Science and Technology Canada have established **International Trade Centres (ITCs)** across Canada to assist first-time and experienced Canadian exporters by providing export publications, recruiting participants for trade fairs and missions, and providing a wide range of services to companies seeking export counselling, technology transfer or joint ventures with foreign investors. For further information contact the ITC nearest you.

ITCs are co-located with the offices of Industry, Science and Technology Canada except in the Northwest Territories and Yukon.
