

Biodiversity—Cont.

- Economic value, assessment, 47:8, 10, 20-1; 67:22
 - Developing countries, 47:42-3
 - Tolba position, 47:40-1
- Exploitation, economic incentives, costs, 47:67-9
 - Accounting models, 47:70
 - Industries, internalization, 47:70-2
- Government policies and programs, impact, environmental assessments, 47:32-3
- Inventory, 56:10-4; 59:14-5
- Management plan, *Systematics Agenda 2000: Charting the Biosphere*, 67:24-5
- Micro-organisms, importance, 47:9
- Ownership
 - Inequities, 47:66-7
 - Intellectual property rights, 47:61
 - National sovereignty, 47:60
- Principles, constitutional entrenchment, 13:40-1, 60
- Public awareness, 47:19-21, 67
- Researchers, agencies, scientific resources, regrouping, 56:7-10; 59:8-14; 61:11
- Resource centre, establishment, proposal, 47:9
- Scientific knowledge, deficiency, 47:67
- Value, determination, 56:23
- See also* Biological resources; Employment; Forestry—Research

Biodiversity Convention (UNCED)

- Amendments, possibility, 47:21, 23
- Appending to Report to House, 61:17
- Canadian International Development Agency role, 46:8
 - See also* Biodiversity Convention (UNCED)—Document
- Committee study, 45:4-43; 46:4-36; 47:5-79; 48:5-74
 - See also* Biodiversity Convention—Follow-up
- Document, accessibility, CIDA/IDRC communication strategies, 47:78-9
- Enforcement, 47:16
- Financial mechanism, Global Environmental Facility, 47:17, 21, 60-1
 - Governance structure, 47:49-51, 57-8
- Follow-up plans
 - Committee review, 44:5-8, 11, agreed to, 3
 - Federal-provincial meeting, 47:16
- Food and Agriculture Organization programs, relationship, conformity, 47:22
- Framework, 45:6
- Green Plan, relationship, conformity, 47:16, 55
- Implementation, national strategies, 45:7; 47:14-5
 - Country studies, guidelines, development, Costa Rica workshop, 47:16, 40, 48-9
 - Indigenous people, participation, 47:53-5
 - Provinces, territories, participation, process, 47:24-6, 71
 - Targets, timetables, lack, 67:12
- Negotiations, 32:15
 - Intergovernmental, Canadian role, 47:14
 - World Resources Institute (Washington, DC) role, 47:59
- Objectives, 47:14
- Public awareness, 47:49
- Ratification, 47:14; 52:5; 64:10
 - Orders in Council, 44:5; 45:17, 20-3, 34-6, 42-3; 47:15, 21-2, 38-9
 - Other countries, number, 47:23

Biodiversity Convention (UNCED)—Cont.

- Review, subcommittee formation, 44:5-8, 11
- Signatories, initial meeting, 47:17
- United States position, 47:22-3, 61-3; 52:7-8; 65:11
- Weaknesses, 47:60
- See also* Endangered species—Protection; Environmental assessment review process; Parks and green spaces—Protected areas

Biological Diversity (named species of living organisms) see Appendices**Biological resources**

- Definition, 47:8
- Development, benefits
 - Developing countries access, 47:13, 61
 - Economic value, estimate, 47:41-2
- Limits, Solzhenitsyn observations, 47:34

Biomass

- Zooplankton, ultraviolet radiation, effects, 35:82-4, 95, 102-3
- Biorhythms, pollution, spectral transmission, relationship, 35:84-5, 96
 - Latitude, relationship, 35:84
- See also* Climate change—Global warming

Biosystematics see Ecology**Blondin-Andrew, Ethel (L—Western Arctic)**

- Biodiversity Convention (UNCED), Committee study, 47:51-4, 72-4, 76
- Climate Change Convention (UNCED), Committee study, 47:51-4, 72-4, 76
- Endangered species, 47:51-2
- Fur Industry Defence Program, 47:53-4
- Northwest Territories, 47:74
- Porcupine caribou herd, oil and gas exploration, ANWR, 1002 section, impact, Committee study, 11:11-2
- References *see* Appendices—Clark

Blue Angel Program see Environmentally-friendly products and practices**Blue box program see Recycling****Bosley, Hon. John W. (PC—Don Valley West) (Joint Chairman)**

- Procedure and Committee business, questioning of witnesses, time allotment, 51:20
- References, Joint Chairman, taking Chair, 51:4, 31
- United Nations Development Program, *Human Development Report 1992*, Committee study, 51:4

Brassard, Daniel (Library of Parliament Researcher)

- Procedure and Committee business, business meeting, 27:10-2

Bregha, François (Rawson Academy of Aquatic Science)

- Division of government powers, Committee study, 12:6-11, 14-5, 17-9, 24-5, 27-8, 31

Brightwell, Harry (PC—Perth—Wellington—Waterloo)

- Economy, environment, relationship, Committee study, 42:15

British Columbia see Environmental protection—Governments;

- Heritage river system program; National parks—Establishment; Skin cancer; Water—Exports
