

REQUIRED OUTFIT.

The following is a careful estimate of the quantity and cost of provisions required for 12 months, for a man and his wife, and three young children—and also a list of articles required by Settlers going into the Bush. The prices are attached at which they can be purchased at the Villages near the Settlements. The total capital required is about £58 currency or £47 sterling, although very many have succeeded, and are now independent who had not £10 in the world upon their first settlement.
