York County and Suburbs of Toronto

WILL CO-OPERATE AND TAKE ACTION

Safety League to Assist Ratepayers Re Dundas Intersection.

gested - Collisions Frequent.

The Ontario Safety League will cooperate with the Ward Seven Rate-Ratepayers' Association in an effort to have the danger at the intersection of Keele and Dundas streets lessened, and and collisions which have lately occurred there. The collisions have been chiefly from Dundas cars, to which this corner is the terminus. Y-ing and the traffic, which is always heavy on both streets, requires at times two policemen to regulate it. The citizens' association is striving to have a loop association is striving to have a loop constructed or the "Y" moved to a less busy corner where the danger of accidents will not be so great.

Special Services.

The choir of St. John's Church repeated by special request at the even-

peated by special request at the evening service yesterday their sacred cantata, "Darkness and Dawn," by F. W. Peace; which they rendered during holy week. The service, which preceded the cantata, was considerably shorter and the sermon was dispensed with. "Claiming the Fulness" was the subject of Pastor W. J. H. Brown's address in the Annette Street Baptist Church yesterday morning. The even-

dress the men of the Parish of St. Ceclida's in the basement hall of the church, tomorrow evening. Owing to the success which has attended the bazaar in connection with the Church of St. Ceclida during last week, the management has decided to keep it open three day slonger, today. Tuesday and Wednesday. This evening from 8 to 9 o'clock one attraction amongst the many will be a congregational euchre party.

a lot of light on Mr. Maclean's other failed to find an objectionable odor or nuisance of any kind.

F. Howe, who seconded the resolution, said that all the present disposal plant required was an extension of the beds.

In opposing the resolution, D. D. Reid said: "The present system is certainly good for what it was intended for and had we remained in the old town it would be quite hadequate, but times have of the same of any kind.

Patent 1092662. Fire escape. Thomas tional euchre party.
On Wednesday there will be the distribution of prizes won during the progress of the bazaar.

NORTH YORK LICENSES HAVE ALL BEEN RENEWED

All the licenses in North York were renewed without change at a meeting of the commissioners in Sutton town hall on Saturday. Chairman Dr. Stevenson presided, Arch. McCallum and Donald Ego also being present. The following are the licenses renew ed: Auroras three hotels—Mrs. R. Wells, F. O'Leary, James Waite.

Sutton, two hotels and one summer resort license for six months—W. Culverwell, T. Shepard and J. M. Mc-Pefferlaw-One hotel license.

There were no complaints, all reports being satisfactory.

MARKET GARDEN SOLD CON. D. KENNEDY ROAD

W. H. Patterson of Agincourt has purchased a market garden property on the Kennedy road, con. D. Scarboro. from W. G. McFarlane. The property mprises ten acres, with greenhouses will sell his horses and some implements by auction on Wednesday.

NEWMARKET

Morris Foster, an old and highly respected resident of Newmarket and King Township, died yesterday at the age of 84. Mr. Morris was of strong physique until a few years ago, when he was so badly burned in a bonfire that one hand had to be amputated. He never completely recovered from the shock of the accident, and the long painful illness which followed.

which followed.

Mr. Morris was a Conservative in politics, and an adherent of the Anglican Church. He is survived by two sons—Wm. E., Brantford, and Frank, Toronto, and two daughters, Mrs. Lewis Watson, Kettleby, and Mrs. Theodore Bolton, Newtone 1884.

A lacrosse meeting will be held in the town hall on Monday night to organize a schoolboys' league. Frank Doyle, secretary-treasurer of the O. L. A. will be present to explain the working of these leagues.

A conundrum banquet will be held in St. Paul's schoolhouse on Tuesday evening under the auspices of the

The Canadian Order of Foresters will hold a concert in the Strand Theatre on Wednesday evening. On the same evening Prof. F. H. Kirkpatrick of Toronto Conservatory of Expression, will give a program of reading in the Methodist Church.

LIBERAL3 OF SWEDEN DEFEATED IN ELECTION

Conservatives and Socialists Are Strengthened — National Defence Was Campaign Issue

STOCKHOLM, April 18.—The returns from the elections, which began thruout Sweden on March 27 and Dr. Price Will Be Inducted Into continued to April 7, indicate the complete defeat of the Liberals, whose membership in the new Swedish Parliament is reduced from 101 gregation in the University Avenue Synato about 74. It is estimated that the Conservatives have elected 81 members, as compared with 65 in the

The suggestions thrown out by W F. Maclean, M.P., to the South Etobicoke Ratepayers' Association are worth consideration by all the people of that Townships of York and Scarboro. The North Toronto Ratepayers three townships have intimate relationship with the City of Toronto because the city in its growth to a million people or more must spread out into each and absorb the portions MANY ACCIDENTS THERE affected. Mr. Maclean's idea that foresight in municipal development is equally as important as ordinary busi-Cars Y Where Traffic is Con- ness foresight scarcely needs commen Everyone now admits that Toronto has been wofully short-sighted, and that heavy expenditures now and in the future will be necessary to pay for improvements which a few years ago could have been done at a nominal cost The member for East York has sufficient confidence in Canada to believe that Toronto has a big future ahead of it; that the population will be at

least doubled, and that, therefore, pro-

vision should be made accordingly.

York Township is now experiencing vision should be made accordingly.

York Township is now experiencing difficulties in sanitation and confronting other problems that will have to be met and overcome. Etobicoke and Scarboro will undergo a similar experience. In order to avoid this, or to provide a solution of them, Mr. Maclean's view is that the three town-Maclean's view is that the three town-Maclean's view is that the three townships should co-operate in securing the services of an expert in city and township planning. In this way plans for roads, drainage, sewers, water supply and other necessary future improvements can be secured and provision ments can be secured and provision made ahead, and anything that has to be done right away be a part of the plan. The cost of a survey of this kind will be a mere bagatelle compared to its value. It will lessen the labors of present and future township councils, but the great thing is that the saying and there was absolutely no stress on ments can be secured and provision ing service was especially for young men, and the pastor chose the subject. "Bringing That Bad Boy Back Home," for his sermon

We remained in the old town it would be quite be quite be quite changed. Commissioner Harris has considered this system from a broad point, and has also taken into consideration the districts five miles beyond

North Towards Weston road.

The school as at present built is a six room one, consisting of two floors and a basement. The three school rooms on the main floor are those which will be occupied today. It is

He thought that the city were not surely going to put in a separate system for North Toronto, and have a pupils are provided in the basement.

Combined system for the rest of the corridors are twelve feet wide, and the pupils are provided in the basement. city. Mr. Reid advised them to reasonable in considering the proposal. Do not put anything in the way of the officials room may be opened out to the class room may be opened out to the cials. It is the easiest thing in the hall at times of assembly world for anyone to make a kick, but the officials have enough to do without listening to knocks.

"It is quite evident that we can't run the city, and if we go down to the city council to ask for the widening of the street and other improvements, they will tell us that we don't know what

He thought the city were quite jus tified in carrying out the work of the combined system, and that the residents should pay their share. "Local trunk sewers must be paid by us, so let us be manly. Kicking will injure our town and result in curtailing other matters. Go at the thing right and help the city by putting your hands in your pockets and paying like men. Mr. Bantin did not agree with Mr.

of sired to be always protesting, still he

Not Opposed.

every hand, and there is plenty of room for expansion.

Land fronting on the Weston road, W. H. Baker said that to find fault which but recently was assessed as farm and market garden land, is now selling at \$60 a foot. This is no fancy price, but the actual price at which the land has been sold. The Black Creek Flats, in part, have been placed on the market, and sense could agree with the motion.

Motion Defeated. An amendment to the resolution, moved by D. D. Reid, that a committee interview Mr. Worthington before Messrs. Reid, Ellis, Bantin, Shearer, McCallum and Hodgson were the committee appointed.

Town planning and street paying leaf of the city and the confidence of the city and the Town planning and street paving behest of the city, and it is confidently anticipated that Black Creek baule were also discussed.

FAIRBANK

The second dance of the season, under the auspices of the Toronto Heights Social Club, was a great success. The attendance was far in advance of the market were snapped up immediately. Other portions of the flats are shortly to be placed on the attendance was far in advance of the market. previous social held under the same auspices, and a most enjoyable even-ing was spent. The vocalists included bers, as compared with 65 in the previous parliament, and the Socialists 76, as compared with 64.

The dominant issue of the campaign was a stronger national defence, aroused by fears of Russian aggression.

Professor Fchechten, principal of the seminary, will officiate at the induction ceremony, which will take place at the induction and Mrs. Cook and A. Grimstead gave and Mrs. Cook and Mrs. Cook and Mrs. Cook and Mrs. Co Professor Fchechten, principal of the Miss D. Smallridge, Miss Chrissy banjo and violin. Messrs. W. Small-ridge and Grimstead supplied the dance music. The executive committee of the above club wish to tender to the above artists their sincere thanks for their services on that occasion.

game. Organist Resigns.
Norman Laird has resigned his po sition as organist at the Earlscourt Central Methodist Church owing to the Central Methodist Church owing to the large amount of work entailed in connection with the E.Y.M.F. and the Earlscourt A.F.C. His aim is to make the E.Y.M.F. or the E.Y.P.F., as it will in the future be called in the fall, one of the largest and best clubs in the city. Next Saturday the Methodists fourney north to play Salada and a pleasant outing has been arranged for May 25.

HUERTA WANTED TO MAKE TERMS

His Insistance on Details Brought Patience of U.S. to End.

RECOGNITION SOUGHT

Signed Agreement Would Have Placed Wilson in a False Position.

(Continued From Page 1.)

, Early this morning a despatch was received from Charge O'Shaughnessy, providing a protocol was signed, and setting forth a copy of the proposed

O'Shaughnessy is exactly what I should have wished it to be. In no case should any concession of any kind in detail or otherwise be made.' I talked with the president over the telephone when your telegram of 11 p.m. was received, to the effect that Gen. Huerta had acceded to the demand, but only on condition that you mand, but only on condition that you sign a protocol. He repeated most emphatically his objection to any protocol or agreement. He matter of contract or with any stipulation that it be returned by us. It must be fired in accordance with international custom as an apology for the national custom as an apology for the insult offered. Gen. Huerta must trust that the U. S. will live up to the requirements of international courtesy in returning the salute when it shall have been fired. The proposed protocol is especially objectionable, for it is so phrased that Gen. Huerta might construe it as recognizing his government. strue it as recognizing his government whereas the president has informed Gen. Huerta and the foreign governments that Gen. Huerta's government will not be recognized. Gen. Huerta's acceptance of the demand of Admiral Mayo must be unconditional.

Final Breach. "At 9 o'clock a telegram was received from Charge O'Shaughnessy, but it was not conclusive and stated that he would call at the foreign office at 6 o'clock for a final answer.

"At 10 o'clock a telegram, of which the following is the substance, was received from Minister O'Shaughnessy, conveying Gen. Huerta's final refusal. This was communicated to the president immediately by telephone, and he directed that a cabinet meeting be called for 10.30 o'clock tomorrow mora

Could Yield no Further.

"At 5.50 p.m., I called at the for-eign office and was handed a note by the minister of foreign affairs. by the minister of foreign affairs. The note states in substance that the government of Mexico is not disposed to accede to the unconditional demand of the government of the U.S. It further states that the Mexican government is disposed to act according to the terms of the protocol which I have transmitted to you. which I have transmitted to informed him that so far as this em-bassy is concerned the matter is closed and I should immediately inform my government that Gen. Huerta had de finitely refused the demands of the government of the U.S. A translation of the note will be cabled later."

"The president will arrive at Washington at 8 o'clock tomorrow morning."

car going west left the rails on the crossing near Bathurst street and inconvenienced quite a large number of people going to church services, as it was not placed in position for almost an hour and a half.
