

Catholic Union.

A few weeks ago we referred to the organization of a young men's literary society in St. Basil's parish. The members of the Young Men's Sodality held a few preliminary meetings, after which it was decided to form a literary branch under the name of the "Catholic Union." The selection of this name was a happy one, as it recalls with pleasure the great amount of good done by the old "Union" a few years ago, and as there are some of the boys of the old brigade connected with the new society we feel safe in saying that the work accomplished this year will be of considerable benefit to all those who avail themselves of membership. Already they have had a couple of debates which brought to the front some of the new blood which promises to develop some first-class speakers. The meetings are held every Wednesday evening at 8 o'clock in the C.M.B.A. hall in the basement of the church. The officers are: Chancellor, Rev. L. Brennan, P.P., C.S.B.; Hon. President, Rev. R. McBrady, C.S.B.; President, W. O'Connor; 1st Vice President, W. T. Kernahan; 2nd Vice President, C. Bercher; Secretary, M. Roache; Treasurer, Jno. Kormann; Executive, N. Hayes, M. Roache, T. Roache, J. E. Day and Jno. Dalton. We would advise any of the young men of St. Basil's Parish, who are not already members, to make application to any of the above officers for further particulars.

Dedication at Newark.

The formal opening of the new church at Newark, which is the third erected by Rev. Father Brady of Woodstock in the last seven years, took place last Sunday. His Lordship Bishop O'Connor of London presided at the dedication and afterwards explained the ceremony and thanked the people for their generosity in building such an edifice to the glory of God and religion.

After High Mass had been sung Father Doherty, S.J., explained the forty hours devotion which opened that day. The church, which is built on the site of the old one, is of red brick and has an imposing appearance. The seating capacity is about 500. The ceiling is finished in wood. The heating is from hot air furnaces. The windows behind the altar contain stained glass figures of Our Lord and the Blessed Virgin. These windows are memorials to two deceased members of the congregation, Peter McNally and Patrick Mullan. The building cost \$8,000.

A New Church at Richmond Hill.

On Sunday last the handsome new church at Richmond Hill was opened by Very Rev. J. J. McAnn, of Toronto, assisted by Rev. J. R. Teefy, C.S.B., Rev. O. Lynett and the energetic pastor, Rev. P. McMahon.

The new St. Mary's church is of the early English style of architecture, and is built of pressed brick with Ohio stone dressing. It is in length 70 feet, in width 31 feet, and has a seating capacity of nearly 300. The main entrance is in the tower, which is 12 feet square at the base and rises to a height of 80 feet. There is an organ gallery at the west end of the church, and behind the church proper a spacious sacristy. The building is heated by hot air furnaces. The windows are of stained glass, the two immediately behind the altar holding figures of the Saviour and the Blessed Virgin. The whole cost of the church was about \$6,000. Post and Holmes, Toronto, were the architects.

A Physician Recommends It Heartily.

St. Paul's Mission, CHATEAU CO., Ont., Dec. 12 '90. Pastor Koenig's Nerve Tonic is wonderful in checking asthma or any nervous ailment caused by nervous debility or over exertion. Three children of my school had falling sickness, the use of the Tonic stopped the paroxysms at once and cured them. In all cases of weakness a strength comes to the system without fail. I received it in most hearty. FRED. B. FISHER, R. J. Stretcher, Ill., Oct. 26 '91. Pastor Koenig's Nerve Tonic is the only medicine that ever healed one of our sisters who was suffering from nervousness and sleeplessness for ten years. We also recommend it to many others and it always had the desired effect. A lady in Ohio was suffering from nervousness and several courses of the Tonic cured her. I used Pastor Koenig's Nerve Tonic, three bottles, cured her entirely. SISTERS OF ST. FRANCIS.
