Carpenters Make Protest.

Carpenters Make Protest. That carpenters engaged on the new government house are working longer hours than the union schedule calls for is the complaint that has been laid before Hon. Dr. Reaume, minister of public works, hy the Carpenters' Union in Toronio. The ministers scretary admits it, but says the long hours are necessary because the work has to be yushed. The union, however, says that if haste is messesary more men should be given work, not longer hours work-ed. The matter is still under negotia-tion.
