A TORONTO MAN'S FREAK.

Walter Edington Goes to Buffalo on a Visit and Enlists in the American Army.

Buffalo Times: A young Canadian from Toronto wound up a week's pleasure yesterday in this city in a manner that will necessitate his spending three years in the United States regular army. His name is Walter Edington, and he is the son of a prominent man in Cobourg, Ont.

Young Edington arrived in Buffalo on Friday and after spending a few hours at the hotel, he went to the recruiting headquarters at Main and Seneca-streets yesterday morning and asked to be enlisted. He easily passed the examination and left town last evening for Governor's Island, where he will be assigned to duty. He will probably be sent to the Philippines.

Edington is well known in Toronto, where he has been in business as an undertaker and embalmer. His family are well-to-do and as yet they know nothing whatever of his escapade.

THE DEATH ROLL.

Lester Reddick died Saturday morning at the residence of his daughter in Chatham, Ont., aged 32 years and 3 months. The deceased was born in Prince Edward Island, was educated in Ontario, and was a farmer. Three children are left to mourn the loss of their father. His wife is Mrs. Reddick, Grand Rapids, Mich., and Miss Mina, at home.

Mrs. Mary Wallace, wife of David Wallace, died at the convent in Chatham from a tumor. Deceased went to the convent about three months ago to visit her mother. She was 53 years of age. The remains were taken to Thamesville for interment.

THE CHILD WAS DROWNED.

Body Found in Lake Erie, Off Port Matilda.

Dunnville, Ont., April 29.—The body of a boy 7 or 8 years of age was picked up by Mr. Martin of Dunnville, Ont., this morning about a mile out in Lake Erie. It is probably the body of Mr. Martin's little son, who disappeared on the 22nd inst. last winter at Port Dover, and is supposed to have been drowned. Mr. Martin of Port Dover is on his way to identify the body.

Was Willie the Man?

William Smith of 406 West Adelaide-street was arrested early yesterday morning by Fredrick Duff, sergeant of police. It is alleged that Smith broke into the premises of R. Butwell, at Humbler Bay, and stole a horse. The amount of the contract reaches about \$300.00.

Yankee Firm Got the Job.

Montreal, April 30.—(Special.)—The contract for excavation work in connection with the new water and sewerage works at the city of Montreal was awarded yesterday to the firm of Schmitt & Co. of New York. The amount of the contract reaches about \$300,000.

More About the "Growing Time."

There is always a time of growth and a time of decay, or decay, in the life of a nation. The periods vary, but the circles of events invariably brings both circles of their appointed time. This principle applies as well to the physical as to the material or moral. The human body grows more rapidly the first year than the second, and there is a variety of change as life progresses.

For example, at about the age of four, sometimes earlier, sometimes later, there is a constitutional change both in the masculine and feminine system; boys overgrow themselves, "grow like weeds," and get thin and pale and weak, open to the reception of the ever-present disease germ. Girls undergo even a greater change that is to make or mar the future of a human being.

The greatness of this change is shown by its effect on the system, the bloodless faces, the dull eyes, the listless step as well as the physical as to the material or moral. The human body grows more rapidly the first year than the second, and there is a variety of change as life progresses.

THE WHEELING WORLD.

With the mercury in the thermometer monkeying around the eighty mark yesterday, it was a great imitation of a summer day for the wheelmen who had not yet discarded their winter wraps. They did not really enjoy their ride as well as they did a week or two ago, when the sun was shining and the wind was in their hair. The regular monthly meeting of the B.C. B.C. will be held this evening in the club room at 8. Business of great importance to the members will be transacted, so don't miss this meeting.

A meeting of the Toronto District Council of the C.W.A. will be held to-night at 8 o'clock at the Atheneum Club.
