THE NATIONAL PLATFORM The growth of Canadian public opinion in the direction of The World's platform is one of the signs of the times. Men are subscribing to it every day, and quite ticular planks of it, as they happen to com up in their locality. Don't be afraid to tell

PROFESSIONAL SERVICE AND

once in their employ, especially in the case of professional gentlemen. Toronto, as a city, has had rather an eventful experi-Keating was given the position of City Engineer over a number of competitors, and for a while he discharged the duties of that office fairly well. After he had been in the service of the city for some years, and after he had thoroly mastered the city's case, as between the city and the street railway company, and, after dealing with the maintenance of the streets, the pavements and the running of cars in connection with the company's franchise, he uddenly took service with that corporation, and is now using all the knowledge which he gained at the expense of the city in offsetting the rights and claims of the municipality against the company which ow employs him. And not only did Mr. Keating take the city's case over to the Toronto Railway Company, but he recom-mended his former deputy, Mr. Rust, as his successor! And the whole thing has No. 548. Ladies' Black worked beautifully, the whether in the interest of the citizens we are not pre-Jackets, finished with pared to say. Another municipal engineer, more or less trained in the service of th city of Toronto, was also taken into the service of this same railway syndicate in

from the Consumers' Gas Company or from the Toronto Rallway Company, and in recommending to the City Council as his successor someone friendly to the views of these two corporations. We do not say that Mr. Fullerton intends to do this; we are only saying that Mr. Keating has set him and this layout the first him are converged and this layout the first him and purport of one of the converged and this layout the first him and addition to this full 5 sums annually in addition to the sums annually in addition to the sums annual are only saying that Mr. Keating has set him an example. And this is not the first time that this has occurred in connection with the solicitorship. We have seen a man who occupied the position of City Solicitor, and who has acquired the technique so to speak, of the City Solicitor's office, going about the streets begging for cases of action against the city for accidents sustained on the street or for damages incurred thro defective bylaws. The public had better think about this and so had the aldermen and other city authorities.

Herically the more important aspect of the people can be obtained more promptly from the Legislature than thru the courts. An amend ment to the act on the lines suggested does not necessarily imply ex post facto legislation. That can be left to the courts. But the respective rights of the people and the company, as far as the future is concerned, and ought to be, made unequivocat by making the necessary amendments to the Board of Control, and make recommendations for the line more important aspect of the people can be obtained more promptly from the Legislature than thru the courts. An amend ment to the act on the lines suggests would necessitate the repealing of a bylaw. At present the Assessment Commissioner reports to the Board of Control. Ald Dunn said this was an argument in favor of a change. The Board of Control is composed of only four members, whereas the Property Committee represents every ward, and would be better informed as to the repealing of a bylaw. At present the Assessment Commissioner reports to the Board of Control. Ald Dunn said this was an argument in favor of a change. The Board of Control. Ald Dunn's distance reports to the Board of Control. Ald Dunn's suggests would necessitate the repealing of a bylaw. At present the Assessment Commissioner reports to the Board of Control. Ald Dunn's suggests would necessitate the repealing of a bylaw. At present the Assessment Commissioner reports to the Board of Control. Ald Dunn's suggests would necessitate the repealing

Ald. Leslie strongly supported Ald. Dunn's argument.
Upon the reading of a letter from the Solicitor with regard to the lease of the Compensating Organ Company on East King-street, it was directed that the lease

discussed as to the terms upon which the lease should be renewed. It was decided to meet Mr. Ward on the basis of three years ago. Mr. Ward himself came before the committee and made a statement.

Ald. Loudon, seconded by Ald. Denison, moved that the new rental be charged only from the time the arrangement was entered into last year. This was carried.

The Muldrew-Irwin-Clarkson-Gzowski lease on the Island was brought from the committee of last year. A transfer of part of the property is desired on the old terms at the explry of the lease.

Ald. Denison renewed his fight against the Assessment Commissioner's proposition, which meant, ac said, that one man was charged only \$1 for a lot with two frontages, whereas others paid \$1.15 and \$1.25 for shorter lots with one frontage.

Ald. Sheppard: We can't fix to-day, the value of the land to-day; we must fix it at the value when the lease fell in.

Ald. Denison: Suppose property had depreciated, these parties would have backed out and not renewed the lease at all. Why should they be allowed to hold the city for five years without being affected by the increased value of the land?

The renewal of the lease was approved on the terms recommended by Mr. Fleming.

Osmonde Cayley's lease was next discussions.

Osmonde Cayley's lease was next discussed. This was also recommended on similar

ed. This was also recommended on similar terms.

J. B. Smith & Sons' lease of the property at the corner of Wellington and Strachan-avenues and the improvements on the property was discussed. The Assessment Commissioner's recommendation that improvements be considered to the extent of \$1000 was approved. The rental will be \$1000 per year.

Toronto, Jan. 6, 1900. Toronto, Jan. 6, 1900.

To the Mayor and corporation of the City of Toronto. Gentlemen,—Please find enclosed an estimate for a chime of ten bells and Carillon machinery, which I have just received from Gillett & Johnston. I am now out of the Council and have no use for the enclosed. If I had been favored with the confidence of the ratepayers, it was my purpose to signalize my term of office by the presentation to the city of ten bells, but not the Carillon machinery or the cost of erecting the same. I shall be pleased if the new City Council will pealing of ment comment comment control is pleased if the new City Council will take up the matter of supplying a chime of ten bells for the new City Hall. I am persuaded by doing so you will save money by having the chimes put in at the same time as the clock and three bells. I remain, etc.,

John Hallam.

The estimate accompanying the letter was: The ten bells and Carillon machinery, fixed complete, £3000, not including duty or the provision of hoisting tackle.

Aid. Sheppard: If this matter can be dealt with by this committee, a recommendation should be made to the Board of Control. If the committee has not time to deal with it, the matter can be deferred to another meeting.

The following resolution, moved by Ald. Spence, was then adopted:

"That this committee, while appreciating the interest taken by ex-Ald. Hallam in the matter of the chimes for the city Hall buildings, cannot see its way to recommending the Council to incur the extra experse that the carrying out of Mr. Jal-

Mr. David Ward's lot on the Island was perse that the carrying out of Mr.
