HIS DOMINIONS BEYOND THE SEA INCLUDED IN KING'S NEW TITLE

Lord Salisbury Introduced a Bill In the House to Authorizing the Assumption of Such Title as the King May See Fit and Makes a Suggestion.

London, July 26 .- In the House of Lords to-day, Lord Salisbury, the Premier, introduced a bill authorizing King Edward to assume by proclamation, within six months of the adoption of the bill, such title as he may think fitly recognizes his dominion beyond the seas. The Premier added this title would probably be as

Edward the Seventh, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of British Dominions beyond the sea, King, Defender of the Faith and Emperor of India.

burning and killing, and whole villages London, July 26 .- At the final meeting of erculosis raised by Dr. Koch were of vital have been burned. The Russian forces are the British congress on tuberculosis, held importance to the public health and the entirely inadequate to maintain order. Several the British congress on tuberculosis, held importance to the public health and the eral thousand rebels have possession of Antung and Kiu Lien Chings. Chinese insurgents crossed the border into Corea, of legislation toward the suppression of rigid inquiry into the identity of human

cellent health, the feeling prevails at the Vatican that a meeting of the College of Cardinals cannot be far off, and there is no secret that the candidates for the Papacy are making elaborate preparations for this Conclave.

The Morse Torpedoes a Gunboat at Havre After an 11-Hour Run.
Paris, July 26.—The newspapers are enthusiastic over the successful feat of the submarine torpedo boat Morse. Admiral Fournier ordered the Morse to proceed from Cherbourg to Havre and there torpedo the gunboat Cocyte. The Morse ar-

PARIS GREEN IN KETTLE. An Attempt to Poison a Whole
Family at Morrisburg.

Morrisburg, July 26.—While Mrs. A.
Macpherson's family were away from home a few days ago, the hired man put paris green in the tea kettle, with the supposed purpose of poisoning Mrs. Macpherson and robbing the house. Mrs. Macpherson noticed some of the poison on the stove and examined the kettle. When the hired man was accused of the attempt, he left the house and has not been seen since.

A Rare Chance.

We are just about the middle of the summer season, and have got some hot days coming to us yet—some days—when you'll need the very lightest of clothing. On the back page of this paper you will see a big straw hat sale announced by the Direct a few days ago, the hired man put paris
