WIFE'S HEAD HIS STOVE

Hindoo Juggler Mystifies King Edward.

London, July 23 .- The art of the eastern conjurer was excellently illustrated at the Salle Erard when one Shekia performed marvels of sleight of hand before highly mystified company.

Shekla arrived from India only recently and has already had the honor of adding to his list of distinguished patrons the King and Queen. With his brown-skinned wife and little boy. all three in native costume, he does anything that seems impossible in the most cheerful and easy manner. He tearfs his turban into fragments and to appear within his closed fist and to disappear; he breaks up a coin and multiplies it infinitely; he produces rabbits from apparently empty baskets; he causes water to flow from an

last night for Kincardine where he adjourned meeting in Knox Church, St. ance is the employment of his wife as the human stove. On her bare head a bottomless earthenware pot is placed. Into this receptacle Shekla puts burning coals, works up a fierce flame, and thereon cooks an omelet to perfection. An equally effective trick was one in which he squeezed his substan-tial better half into a linen basket, put the lid on, and then ran a sword in flat car. and out without apparently hurting the woman within. This expert jug-
