To feel as vigorous as you were before you lost your strength ? To enjoy life again? To get up in the morning refreshed by sleep, and not more tired than when you went to bed ? To have no weakness in the back, or "come-and-go" pains ? No indigestion or constipation ? To know that your strength is not slipping away ? To once more have bright eyes, healthy color in your cheeks, and be confident that what others can do is not impossible to you ? In short, do you want to be healthy, strong and vigorous ? I can make you all this, be-cause I have done it for others.

Dr. McLaughlin's Electric Belt

has restored health and strength to thousands of weak people If you use it as I direct it is a positive cure and cannot fail.

It gives the vitalizing power of electricity, without burn-ing or blistering, to every weakened part, developing the full vigor of manhood. It removes all the effects of dissipation

I want every weak person who is not what he should be to wear one of my Belts, and, when cured, tell all his friends of its wonderful effects.

My Belt is also an absolute remedy for Nervous debility, Backache, Rheumatism, Stomach, Liver, Kidney and Bladder troubles. It is arranged for women as well as men, and cures female weakness. MR. WALTER F. SHEPPARD. Allandale, Ont, says my Belt did him more good than all the medicine he ever took. He sleeps and eats better; has better circulation and feels like a different man. MR. WALTER F.
