

CARLIST PRETENDER HOPE OF THE VATICAN

Don Jaime Looked to Vindicate
Catholicism in
Spain.

ROME, July 31.—Notwithstanding the previously extreme strained relation between the Vatican and the Spanish Government, the recall of Marquis De Ojeda, the Spanish ambassador to the Vatican, has produced a great sensation here. The Vatican, in a semi-official statement, declares that the extreme parties in both countries, aided by foreign elements, are trying to overthrow the respective monarchies, with the object of uniting the Iberian peninsula under Republican rule.

In Spain, it is pointed out, there is, in addition to the French Freemason influence, the English Protestant influence, exercised over the King through the Battenbergs, who have established themselves at the Spanish court, consequent upon the King's marriage. The hope of the Vatican is that Don Jaime, the Carlist pretender, who has threatened a revolution, will raise the Carlist flag and vindicate Catholicism.

12-YEAR-OLD GIRL MISSING

Sent to Store on Friday, She Drops From Sight.

Gertrude Goodwin, 12 years of age, who has been living with her guardians at 251 Berkeley-street, is lost. The last seen of her was on Friday morning, when she was sent to a store to do some purchasing. On enquiry at the store shortly after, it was learned that she had not arrived, and no trace has been had of her since. Any information of her would be gladly received by the police.

It is thought by her guardians that in her anxiety to work, she has wandered away. At the time she left she wore a light blue dress with white dots, while the waist was white, black shoes and black stockings, and her hair, which is dark, was braided back and tied with a blue ribbon. Her eyes are dark blue and her complexion is medium dark. She is small for her age, not being much larger than an average child of nine years.

NAVIGATION IN THE BAY

Suggested Regulation Requiring Licenses by Small Craft Sailors.

At a board meeting of the harbor commissioners, Saturday, Vice-Chairman Capt. J. T. Matthews gave notice that at the next meeting of the board, he would move the following resolution:

"That it is the opinion of this board that every person operating any steam launch, motor boat or sailing craft in the Toronto harbor ought to be required to take out a license, certifying to his or her qualification, without which license such operation should be unlawful."

"That the Dominion Government be petitioned to appoint an instructor for Toronto, whose duty it should be to teach to all persons applying, the rudiments of navigation in fresh water."

"That the subjects for instruction shall be: (a) The use of lights and danger signals; (b) the handling of sails and sheets in fine weather and in storms; (c) a mechanical knowledge of electric and gasoline engines, batteries, timers, carburetors, steering gear, etc.; (d) a knowledge of the "rules of the road" as applied to meeting, passing and crossing other craft; (e) a careful examination of the eyes, as regards imperfect vision, color blindness, etc., etc."

"That licenses be issued only to those who are qualified to manage motor boats and sailing craft, as certified to by the instructor of other authority, duly appointed."

As a result of the findings of Commissioner Demers, regarding the drawing of Mr. McLean and his sister in Toronto Bay, Capt. Joyce, of the island ferry, and Logan and Cooper, who were in the launch that was run down, will appear in police court Wednesday to answer charges of criminal negligence.
