Much Heavy Fighting Halics was the centre of much heavy fighting last August and September, after the Russians had captured Bu-Icwins and were attempting to reach Lomberg. Stanislau was captured by the Russians in August, but the Rus-sians failed to take Halicz after ensians failed to take Halicz after en-gaging in furious battles at Mariampol and Monasterzyska, and forcing the Austro-Germans to retire between the Zlota Lipa and the Dniester. In Sep-tember Halicz was bombarded by the Russian artillery but attempts to storm the town were unsuccessful. Ottawa, July 10.—The following re-bort of the work of the Canadian for stry corps has been received by the for from general headquarters in France: There are at present 22 companies sulting.

General Korniloff's cavalry and Cos-sacks are pursuing General Kirbach's retiring army south of Halicz and have forced the River Lukovitza, which par-allels the River Luka dominates the wood-ed eastern bank, but it is considered with the domentional dustriant unlikely that the demoralized Austrian army will be able to concentrate sufficlent troops to prevent a Russian pas-mage of the river and a continuance of the advance in the direction of Dolina, 35 miles west of Stanislau. The co-operation of the seventh and eleventh armies, north of Halicz, with the ighth army south of that town has

would regard such exemptions as an insult. Mr. McCraney, Liberal mem-ber for Saskatoon, who has supported the bill, pointed out that the govern-ment has spent \$65,000 to bring 15,000 farm laborers from the United States into the prairie provinces to help with the seeding, and that a still greater number would be required to care for the harvest. He thought this sufficiently indicated the scarcity of farm labor, but Levi Thomson, of Qu'Ap-pelle, took the position that while farm labor is scarce in the west, there
