SOCIAL DEMOCRATS IN **AUSTRIA'S NEW ARMY**

Vienna, May 15-(By Mail) -Recruiting for the new army that is to replace the Volkswehr under the terms of the treaty of St. Germain has ceased, the allowed 30,000 men having been enlisted. It is said that 70 per cent. of the force are Social Democrats in spite of the attempt made by the opposition to prevent it. This is due to the failure of the peasants to enter service in the provinces, where the Conservatives look-ed for heavy enrolment to offset the industrial centres. Many of the provinces failing to raise their quote, natives of the defaulting provinces residing in the cities were enlisted and sent to their home states.
