Perfumes

Exclusive Lines

The fact that our stock of Perfumes and Fancy Toilet Goods is the largest in the eastern provinces has made The Modern Pharmacy the centre and the ultimate shopping place for those who seek the very best in these lines.

CELEBRATED FRENCH PERFUMES—We are justly very proud of the fine array of Roger and Gallet, Fleur D'Amour, Piver's and Hobigat's. We doubt if the line, as a whole, could be duplicated elsewhere in the Maritime Provinces. Colgate's Perfumes also in great variety. The logical place to get these goods is Cameron's.

Large Assortment of Ivory and Manicure Sets.
