**NOVA SCOTIAN HERE AFTER TWO YEARS OF WAR WORK IN FRANCE**  
**Superintendent Carr Speaks of Work For Eastern Car Company Back of the Lines**  
 A visitor who spent the last two years back of the battle line in war-ridden France, passed on to New Glasgow, N. S., yesterday, having journeyed directly from Europe to make a report to his employers, the Eastern Car Company. The man was Superintendent Carr, a familiar figure in the Nova Scotia town, who was sent to France to direct the assembling of cars built by the Eastern Car Company on a large war order.  
 Mr. Carr says when the Nova Scotian car parts arrived it was difficult to get French workmen because of pressure brought to bear by the army, so he succeeded in being granted the services of many German prisoners. These captured Hunns displayed excellent mechanical abilities, and on the whole were good workmen, minus, of course, that spirit of Frenchman would naturally put into anti-German effort. Only in a few instances did the New Glasgow man have trouble with Fritz, one fellow in particular being constantly under the microscope—"a typical Prussian Hun," as Mr. Carr put it.  
 The prisoners all seemed satisfied to get out of the straits and to get up the peaceful pursuit of making cars with great relief. This was at Toul and similar trans-Atlantic jobs were being set up and assembled in France. The fact it is remarkable how the larger munitions of war have been kept flowing into the western war zone in the last four years in spite of submarine warfare.

**THE INVALID SOLDIERS COMMISSION**  
 Dr. Charles Mackay, in charge of the Invalid Soldiers' Commission for "K" unit, made clear this morning just what it is for which this branch of the department of soldiers' civil re-establishment is responsible. He said that the commission, which is a branch of the department of soldiers' civil re-establishment, is responsible for the treatment of invalided soldiers after discharge from the army who suffer from disabilities either due to or aggravated by military service.  
 Men suffering from tuberculosis, epilepsy, mental disease or other diseases requiring protracted treatment are discharged from the army to the Invalid Soldiers' Commission in order that their further treatment may be continued.  
 Men suffering from a recurrence of a disability clearly due to service are entitled to apply to the commission for further treatment and during the time they are taking such treatment they will receive pay and allowances. Men suffering from a disability due to service of such a nature as to prevent their resuming former occupations are eligible to apply to the commission for vocational re-education.

**MILLER-CANNING WEDDING.**  
 A very pretty wedding was solemnized this morning in the Douglas avenue Christian church, Miss Lillian Canning, daughter of Mr. and Mrs. Ernest Canning of 89 Paradise row, and Fred Miller of this city were united in marriage by Rev. J. C. Apple. The church had been very tastefully decorated with flowers. The choir sang several hymns. The bride entered the church with her father in the strains of the wedding march. She was becomingly gowned in a tailored suit of navy blue with picture hat and carried a bouquet of cream roses. She was attended by her sister, Miss Olive Canning, who was gowned in a blue silk suit and carried a bouquet of sweet peas. Mr. Miller was supported by his brother, George Miller. Following the ceremony Mr. and Mrs. Miller left on a wedding trip along the St. John river and on their return will reside in the city.  
 The groom's present to the bride was a substantial check, to the bridesmaid a canoe ring and to the groomsmen a pearl stick pin. They received many wedding presents, including cut glass and silver. Among them also were beautiful Morris chairs from Dr. H. P. Nase, with whom the bride was employed, a check from her aunt, Mrs. William Canning of Portland, Maine, and a silver chocolate set from Mr. and Mrs. F. P. Hunter of St. Stephen.

**E. M. MacDONALD'S SON NOW REPORTED DANGEROUSLY WOUNDED**

**SECOND SON IS KILLED IN WAR**  
**Sad News Comes to Mrs. Edith Gabriel**  
**ONE DIED IN CRATER FIGHT**  
 The N. Parker Also Gives Life in War—Corp. Samuel J. Withers Now Is Reported Seriously Ill  
 Sacrifice, sacrifice, sacrifice. That seemed to be the keynote more distinctly than ever in the casualty reports arriving in St. John today. As Times men wended their way from home to home there and news was read who were yet glorious story of blood shed for our freedom and our rights emphasized with increasing force the seriousness of the fight that is now being victoriously waged. Surely little old Loyalist St. John is true to her traditions, truly its people at home owe an everlasting debt to the heroes so fast accumulating.  
 Pte. John D. Gabriel.  
 Another "killed in action" telegram reached the home of Mrs. Edith Gabriel, 82 Rock street, this morning announcing the death of Private John D. Gabriel, a young man who will be familiarly remembered as chauffeur for the Two Barks grocery until two years ago when he enlisted. In this case the Gabriel family is called upon to make a second sacrifice. Early in the war, when our own 26th Battalion, under Lieut. James L. McAvoy made that memorable capture in the "Crater Fight" (a detachment under Lieut. Fairweather) Robert Gabriel laid down his life for the cause. This case war-time heroism leaves only a nine-year old boy in the male line of the family. The sisters are Mrs. George B. Lemon of North End, Misses Davida, Eva and Elsie at home. The new hero's father is dead, and his widowed mother is naturally grieved by this additional blow. John D. Gabriel enlisted with the Army Service Corps, but was transferred in England.  
 Pte. T. N. Parker.  
 At 114 Carmarthen street, Mrs. Mary Parker, widow of C. B. Parker, formerly of Cole's Island, Queens county, received word of the death of her boy, Thomas Nesbit Parker, a lad who worked on the farm previous to enlistment. It was a year ago that the Parker family came to town to live, largely because of the demands war made upon the household in taking its stalwart boys—boys, however, who were glad to be of service to the flag. Converse Parker has been making munitions here for a long spell; George is with Major Wetmore's siege battery and Thomas is a victim of the fight on the 9th inst. The despatch gives no detailed information merely the bald statement so heart-breaking to the widowed mother and her household. It was an affecting scene this forenoon as the other soldier son hurried in from the Red Head camp to meet his mother so crestfallen by the news. Mrs. McDonnell of Doncaster street, is a sister of the late soldier and there is a brother in the west.  
 Corp. S. J. Withers Seriously Ill.  
 Mrs. Mary E. Irvine of East St. John was advised this morning from Ottawa that her brother, Corp. Samuel John Withers, who on Saturday was reported wounded by gunshot, was now reported seriously ill in a hospital in Rouen. Corporal Withers crossed overseas as a sergeant in the Ammunition Column and after being in France with that unit a short while he decided that he was not utilizing his services to his king and country as best as he might and he dropped his stripes and joined a field artillery unit. He is forty-one years old and prior to going overseas was conducting a training business in the city. George Withers of the post office staff and Captain Nelson Withers are brothers. Corporal Withers' motive in transferring from an ammunition column to a field artillery in order that he might get into the fight is only true to the family's history. No family in St. John has a finer war record than this one. They gave an account of themselves in the South African war and have also done nobly in the present conflict.

**A DOG AND HIS OWN BABY'S CARRIAGE**  
 A touching demonstration of canine sagacity and fidelity was called to the attention of a Times man yesterday. Curled up in a corner of the depot baggage room was a large black dog of mixed breed, disdaining to recognize any friendly overtures, but casting anxious and enquiring eyes about, especially if he heard train noises in the big shed outside. It appears the dog was first noticed a week ago, when the baggage staff was asked to check a baby carriage for Truro. He jumped about gleefully and manifested the penultimate affectionately. Then the carriage went away in the train and evidently a family party also. So every day since that big black dog is at the baggage room doors when the officials open them early in the morning. He seeks out the spot where he last saw the baby carriage and lies down. The men in the baggage room do not allow the faithful dog to suffer for food and drink, but they are exercised lest he has been lost from home where some remaining members of a household may be hunting for him. So they ask that any family owning a black dog—mixed scollie and Newfoundlander—fitting into the mentioned chain of circumstances communicate with them.

**SLOWER SERVICE FOR FAIRVILLE**  
 Today Fairville people are enjoying the last of the ten minute street car service as tomorrow the old schedule is to go into force again, relegating Fairville folks to a twenty minute wait between cars.  
 It is understood the old time table will be followed, cars leaving Barnhill's Corner five minutes after the hour and at twenty minute intervals, but in the case of a breakdown that would send a car to the sheds for repairs, then Fairville passengers will have to wait forty minutes or more as last winter.  
 There was some talk of the company inaugurating a shuttle service this fall, Donald is reported dangerously wounded in a message received by his father, Lieut.-Colonel E. M. Macdonald, former M. P. for Pictou, N. S.
