CLEANLINESS IN DENTISTRY

If people knew the frightful risk they run of infection from unclean dentistry they would better realize the awful chances they take and what a mighty important factor cleanliness is. No one has ever disputed the fact that there are no cleaner offices in Canada than ours. This is worthy of consideration.

THE COUNTRY MARKET

Indications point to a successful and well supplied market tomorrow, and it is the opinion of the wiser heads that prices will take a slump, as the weather is rather against the keeping of a large stock, and because the latter is already pretty much in evidence. Meats of all kinds seem plentiful, and there is today but little difference in prices from those of last week. Chickens are somewhat lower, selling from 80c. to \$1.40 a pair. Black duck bring 70 cents and woodcock 60 cents a pair. Game of all kinds is abundant, moose and venison especially.

Many of the farmers complain that the potato crop has been poor, and in some sections of the country this is more the case than in others. They are selling from \$1.25 to \$1.50 per barrel, and while at present they are fairly plentiful, the supply is not nearly as good as has been the case in other years. In some places dry rot has spoiled the crop, while in others the potatoes were ruined when only a short time in the ground.

Hon. Judge Landry left on the Ocean Limited, this morning, for his home in Dorchester.

GOGGIN VS. POLICE

Charges of False Arrest to Be Heard Soon—The New Recorder Will Appear for the Police

Proceedings are being advanced in the cases against Chief Clark, Sgt. Campbell and Policemen Lucas, Marshall, Sheehan, and Rankine, and it is expected that the matter will be heard before the next sittings of the circuit court. The charges are false arrests, and they are preferred by Chas. S. Goggin, his wife Theodora, Gertrude and Albert Hopper, his step-children, Daniel Mullin, K. C., who apply for an order for directions in the very near future. He has received a notice of appearance from Recorder Baxter, who will act for all the defendants. This may seem strange to those acquainted with the case, as the recorder was formerly counsel for Goggin, but will now act against him.
