

FINAL EXAMINATIONS

Held Monthly Under the Direction of The Business Educators'
Association of Canada.

THE Business Educators' Association of Canada—which stands for higher commercial training—is the examining body to which the Business and the Shorthand Students of the College submit themselves. The diploma issued by the College, under the seal and sanction of the Association, will be convincing evidence to prospective employers, in any part of Canada, of the competency of its possessor. The Business Educators' Association of Canada is in reality the Business University of the best Commercial Colleges.
