Acting Secretary's Report Shows a Very Successful Year-Addresses.

oughly understood that every case of cruelty brought under its notice will be taken up by the society, yet the more impact that the work must be carried on in some other suitable places, for the society cannot by portant work will be done by persuasion any means cease to endeavor to enlist the being kind to the animals under his care acquired in youth they will not be forgotis at the same time learning to be considered in after life. erate to his fellow creatures.

uired much care, and many meetings posal. The committee feel this affiliation will press, which always willingly reports any ing with the work of the Victoria branch. ond our efforts in every way. branches in Rossland, Nelson, Atlin, Na- the necessity of this society to command a naimo, Alberni, and generally to represent the society throughout the province,

We are glad to say that the government, recognizing the urgency of this work, have donated the sum of \$500 to assist in carrying it out. It will be understood that this

The criminal code is considerably rematerial strength in the matter of prosecube on the streets, are more considerately special objects.

But we are sorry to say that more aggrabeen brought to light than in former-years. th pasture to be tormented by flies and nosquitoes; will nearly cut through s horse's tongue with a ligature which is left on for several months; will place wires through the nostrils and over the horns of cows, and leave them there for months together, and will allow horses to be worked with great sores on each shoulder, it is evident the society has a great deal of

work still before it. Although the cases mentioned have been investigated at considerable time and trouble, and many long journeys have been taken by the president and veterinary sur-

to the amount of \$37.00. In these and similar cases photographs ave and will be taken, to enable the harges to be more easily proved. During the year considerably over a

hundred cases have been dealt with, being on behalf of the committee, in excess of last year. Of these we were bliged to take fourteen cases into court, ut of which there were twelve convictions nd only two discharged.

The society, as far back as October, 1897, wrote an urgent letter, and others since, to the city council that the poundkeeper should be provided with a suitable vehicle for conveying stray dogs to the ound; we are glad that these efforts have een availing, and we accord our thanks to the city council for providing for a more natives and those which actuated the humane method, and that a suitable carriage is now used for this purpose.

Financial Position. result of a more active canvass of the city, many new members have been added to the society, and although this is very encouraging, the committee hope that more will join in the coming year, to enable the work to be carried on with greater success; for, though our income is larger, our expenses have materially increased. We regret that on account of the con-

tinued absence of our secretary we are not able at this meeting to present an audited statement of accounts. The balance at the bank at the end of last year and the cash receipts amounted to \$404.30. The expenditure amounts to

\$337.50, leaving a balance on hand of \$66.80. We are pleased to remark that the city makes a grant of \$50 per year. This is in lieu of a molety of the court fines, to which we are entitled, but that it might not seem that we prosecute for the sake of getting fines, we have arranged that the

Boer Lines Broken. London, Aug. 28.-A special from Pre toria, dated August 27th, says: "It is stated that fighting with Botha's commando was resumed this morning. The Boers' lines were broken and the enemy is falling back. The British casualties

London, Aug. 29.-Lord Roberts reports, under date of Belfast, August

28th: "Buller's advance occupied Machadodorp this afternoon. The enemy made a very poor stand and retired northward. followed by Dundonald's mounted troops. who could not proceed beyond Helvetia on account of the difficult nature of the country and the enemy taking up a position too strong to be dislodged by the mounted troops.

"It appears that Buller's casualties were very few. "French continued the movement today as far as Elandsfontein, from which trade. The membership of the associa- he turned the enemy out with no diffition for the last year shows a total of culty. The latter retired very rapidly,

leaving cooked food behind. "General Buller's casualties on August one of Brockville's leading residents, is 27th were, killed, one officer and thirteen dead, aged 65 years. He was a U. E. men; wounded,, seven officers and fiftyseven men."

> London, Aug. 30.-A dispatch to the 'Dr. Ledys's interview with the Emperor Nicholas lasted barely five minutes. The Czar said he was sorry that he could do nothing for the Transvaal except to urge them to make peace, as he hated war."

German Complaints. Berlin, Aug. 29.-The delegation of

German subjects who recently arrived here from the Transvaal to lodge com plaint with the German foreign office regarding the treatment of Germans there by the British, has already been received by the foreign office, which is investisquare miles of forest reserve in Sangab- gating the grounds of the complaint and

The Canadians.

Ottawa, Aug. 29 .- Col. Otter has been promoted to a full colonelcy, under the

act passed last session, Lord Roberts has asked that the period of service of the Canadian first contingent in South Africa be extended from two to three months.
