The Nepisguit Salmon Fishery.

Professor E. E. Prince, Dominion Commissioner of Fisheries, visited Glouester County last week, accompanied by Inspector Chapman. Amongst other things he heard the statements of a number of coast fishermen who were interested in proceedings taken last season at the instance of owners and sesses of angling rights on the Nepisguit, against owners of sutside nets being allowed to fish on Sundays. It seems that those outside fisher-

men, with a desire, ne doubt, to square counsel fees. themselves with the anglers, are claiming that the latter unduly interfere with the processes of natural reproduction of the salmen frequenting the Nepisguit by fishing in the pools of the DUILK OI MONUTOAL.

Sentury. We see it stated as part of the net fishermen's complaint that "at every part of the river from the head of the tide up the fish were annoyed by the constant angling during the season, (TWENTY MILLION DOLLARS!)
