

### Cheap Drug Store.

THE Subscriber having bought out the Drug establishment and business of Mr. F. W. Brown of which he has been the manager for eighteen months, intends to carry it on, on his own account. From nearly four years experience of the business he feels confident that he can afford to the public satisfaction, both as to the quality of the goods which he will keep for sale, and in his own personal attention to the making up of prescriptions, and to the general wants of customers.

On commencing business for himself he feels that his success must depend upon strict attention to the demands of the business, and to the quality of the goods he keeps; and he trusts that in both these respects the management of his shop will be such to insure a fair share of the public confidence and patronage.

He will keep constantly on hand a full stock of

PROVINCIAL EXHIBITION

Communicated to The Journal.

GETTING THERE.

Early on Tuesday morning, the roots of St. John presented an ap-  
petizingly than usual, from the num-  
ber and strangers wending their way  
en route for Sussex Vale. The 8th  
more than well filled, and we, as  
others had to take our seats in  
car. The road passed through a  
picturesque, diversified by vale, a  
flowing river, and for the most part  
high state of cultivation. The ex-  
pressed by many that few if any  
this continent, traverse a finer tra-  
one more pleasing to the eye, or  
for settlement. Rothsay, Hamp-  
points on the line might be speci-  
ful localities. The road is well  
ears fitted up in a tasteful man-  
been our fortune to travel on a  
States that is so even and smooth  
jolting than usual, several pe-  
me, than on the Grand Trunk  
hour behind time we entered Sus-  
drew up at the Station, a neat and  
building.

THE BUILDING.

The Exhibition building we found  
easy ten minutes walk from the sta-  
very prettily in a meadow in which  
the owner had either left or ph-  
number of our beautiful New Br-

through the grounds, and whose pro-

hibition grounds. We afterwards  
of the hills which bound this va-  
every side, and found the labour  
the beauty of the view. And yet  
fied to return to Carleton County  
though we had seen much that  
and worthy a visit, we had ac-  
equalled it either in the beauty  
scenery, or in agricultural capa-  
addressing the taste displayed in  
the site, we were not a little dis-  
unsightliness of the building its-  
prepared for something rough and  
together; but not for anything ill-  
gery will surely bear away with  
exalted opinion of provincial taste  
liberality. Could not the probabi-  
rant a proper structure? A few  
dollars more would have pro-  
worthy of the occasion, and not  
the Province. The next time, it  
undisavowed to employ a proper

every side, the enclosure for cat-  
selected for ride shooting, &c.; he  
werd thrown upon preparatory to  
His Excellency; and even to hear  
friend within, whose request for

easier thought of than accom-  
more anon.

THE OPENING.

Shortly before one o'clock  
thrown open after no little clatter  
dant of the Provincial Agricultur-  
a steady tide of gowns and coats

and gradually overflowing the gal-

do. Mr. Botsford, the President  
cial Board of Agriculture then re-  
his Excellency the Hon. J. L.  
Sutton, Lieut. Governor, &c.,  
May it please your Excellency—  
The Provincial Board of Agr-  
decided that an Exhibition should  
year at Sussex Vale, and having  
as its Executive Committee, the  
perintendent and manager, it be-  
it is now ready for the inspection  
and we respectfully request that  
will be pleased to open the same.  
The Act creating the Provin-  
Agriculture having been passed  
cency's sanction, we hope that  
thus far, have met with your Ex-  
approval; and that this Exhibi-

As the Act admits the holding  
once in every three years, we have
