### Miniature Shortstop Hans Wagner's Double

"HANS" HADLEY.

Evansville, Ind., Aug. 11.—Broad-shouldered, bow-legged, with big hands, a long "hook" nose and gaunt features, Shortstop Hadley of the Evansville Central league club is a pocket edition of Hans Wagner, the Pittsburgh star.

Nobody seems to know Hadley's first name. Even his teammates are ignorant of his front handle, for he looks and performs so much like Wagner that no one has ever thought of calling him anything but "Hans." Hadley's every move, from his flat-footed throw across the diamond to his big swing at the plate, is a reproduction of Wagner. He is just as awkward as the Pirate ever dared to be, but, like Wagner, he gets there. Hans II also has some of the slugging propensities that have made his big league double famous. Pitchers hate to see him at the plate in a pinch. Recently Evansville won eight straight games. Hans drove in the winning runs in six of the eight contests.

Hadley is on the climb. Last season he was in the South Michigan League. It is expected he will make another jump at the close of the present season.

## MONCTON SAW CLASSY MEET

Good Trotting on the Moncton Speedway Yesterday Afternoon—Recent Rains Made Track Heavy and No Records Were Broken—Excellent Sport.

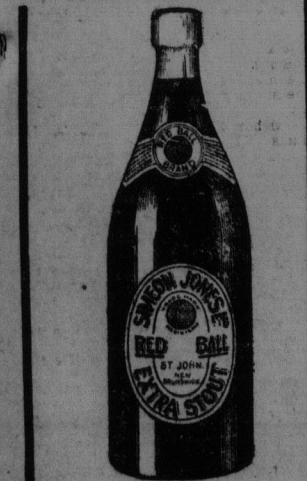

Moncton, Aug. 12.—There was some good racing on the Moncton speedway this afternoon, though the track was rather heavy on account of yesterday's heavy rain, and fast time was out of the question. The different events were hotly contested, Ruth Hatheway and Prince Louis and Leonard Wilton capturing the big end of the money. Two of the events went off in one, two, three order, but the 2:30 trot and 2:27 pace went the limit and the knowing ones were kept guessing until the deciding heat. Summary:

## WOODSTOCK SHUTS OUT WATERVILLE

Score in Yesterday's Game Was Woodstock 5, Waterville 0—Eddie Ramsay Played Great Game at Short.

Woodstock, N. B., Aug. 12.—After the disastrous defeat of yesterday in Houlton by the Boston-Pittsburg-Waterville team, the telephone was got busy and two weak spots in the local team were filled this afternoon by Malloy of Fredericton and Chapdelaine, secured from the Connecticut League by St. Stephen. With this strengthened team, aided by Eddie Ramsay of St. John, in Connell Park, Waterville, the finest ball team ever seen on a Woodstock diamond, was shut out, the score being 5 to 0.

Divinal, a left hander, heaved for Waterville. He struck out six men and ten hits were made off his delivery. Milmore, Hughes and Ramsey each getting two baggers.

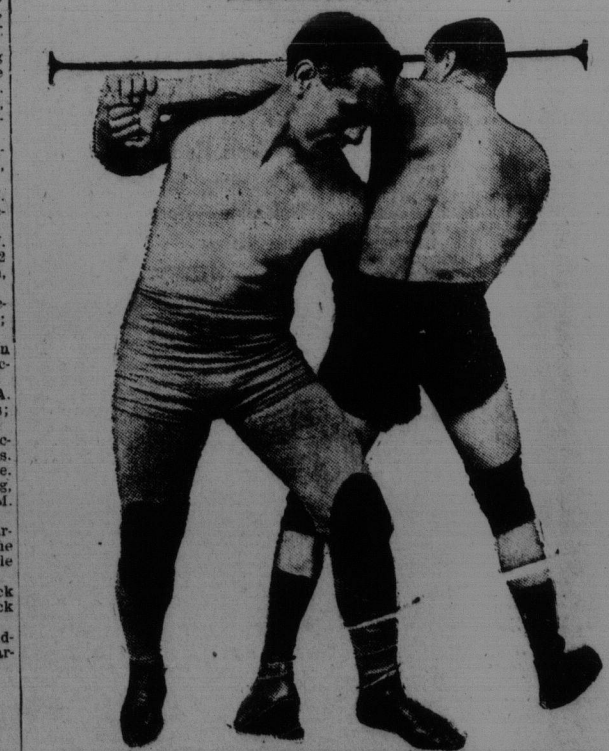

Joe Neptune never pitched better ball than he did this afternoon. While he struck out only three men, but five scratch hits were made off him by the picked team from Maine and Massachusetts. Chapdelaine, as well as Baker, put up great ball behind the bat. Neptune walked two men and the playing of Divinal, Ramsey and Malloy was much appreciated. The attendance was 1000 which is fairly good for a town of 4000 inhabitants. Neptune who has only pitched three games this season and has three shut-outs to his credit was carried on the shoulders of the fans from the grounds. He is only nineteen years of age. Following are the players and score by innings:

**Waterville:** Baker, c; Divinal, p; Wilson, 1st; Rawson, 2nd; Cobb, 3rd; Higgins, ss; Farnham, rf; Stobie, cf; Sturtevant, lf.  
**Woodstock:** Chapdelaine, c; Neptune, p; Iott, 1st; Hughes, 2nd; Malloy, 3rd; Ramsay, ss; Pickel, rf; Michael, cf; Milmore, lf.

## VANDERBILT SLOOP WINS KING'S CUP

Newport, R. I., Aug. 12.—Cornelius Vanderbilt's sloop Aurora sailed by W. Butler Duncan, Jr., won the King's cup, the last event of the New York yacht club's annual regatta. She had a margin of but a minute over the sloop Winsome, which in turn was about the same distance ahead of the sloop Elmina. The trophy was donated by the late King Edward of England, and out of respect to his memory, the usual jollification on the flagship at the conclusion of the cruise, was omitted tonight. The race was one of 35½ miles.

## TURF WONDER MADE ANOTHER WORLD'S MARK

The Famous Uhlan Trotted a Mile Yesterday in 1:58 3-4 Without Wind Shield—Beaters Lou Dillon's Mark.

Cleveland, Ohio, Aug. 12.—Driven by Charles Tapper, of Cleveland, C. K. G. Billings' black gelding Uhlan established a new world's record today by trotting a mile at North Randall track without a windshield in 1:58¾, beating Lou Dillon's record by 2¼ seconds and coming within ¼ of a second of equalling the record made by her with a windshield, Oct. 24, 1905, when she trotted a mile at Memphis in 1:58¾.

Horsemen who held watches on the great gelding's attempt say as a result of today's performance, that with a windshield he will be able to better the mare's mark.

The big crowd gathered at North Randall had expected to see Uhlan driven to a wagon, and was all the more enthusiastic when the announcement was made that he would try for the world's record to a sulky without windshield.

Tanner drove him the first quarter in 29¾. The half was reached in 59 flat. The crowd seeing a record about to fall, gave a great cheer, which changed to deep silence however, when the time for the three-quarters was hung up showing that it had taken the gelding 30¾ seconds to negotiate the third quarter. He did the last quarter in 29 seconds flat. When the figures were announced, driver and horse were given an ovation.

The final heat of the first division of the Tavern "Stake" continued from yesterday, went to Henry H. who had captured two heats before darkness fell. Jean had little trouble in winning over the entries in the second division of the race.

## TORONTO'S CREW WON YESTERDAY

Argonauts Landed the Intermediate Eights on the Potomac—Also Came Third in the Junior Eights.

Washington, Aug. 12.—Seven national championships in amateur rowing were decided today at the opening of the thirty-eighth annual regatta of the National Association of amateur rowers. The Argonaut rowing club of Toronto, Canada, won two of the championships, while oarsmen from New York, Detroit, Baltimore and Springfield, Mass., were awarded the remaining five. Tomorrow will come the final competition with six more championship honors sought.

With the Potomac fairly smooth fast time was made by several of the entries. At least one American record was broken official claim.

That was in the senior quarter mile dash in which William Mehrhoff of

## FANS WILL SEE GREAT BALL TODAY

St. Johns and Clippers Clash in Double-Header on Every Day Club Grounds This Afternoon.

The interest of the sporting fraternity today centres in the Every Day Club grounds, where, perhaps, will be decided the baseball supremacy of the city. The St. Johns and Clippers will clash in a double header, and should the efforts of Tilley's men be successful in pinching both games, they will have tucked away the championship. On the other hand if the teams come to an even break the Saints will be one game from the championship. Should McBride's aggressive bunch continue their winning streak and romp away with both events the race will have narrowed to a tie. The St. Johns are confident of at least getting an even break, which would almost insure their coping the series, as McBride's team would still have to win three games against the Saints one to land the flag.

The first game will start at three o'clock. The veteran D. Connolly will be one of the umpires and the teams will line up for the first game as follows:

St. Johns.	Clippers.
Rootes	Catcher.
Bovard	Pitcher.
Lynch	First base.
E. Ramsay	Second base.
Nesbit	Third base.
Copeland	Short stop.
Woods	Left field.
Riley	Centre field.
Cribbs	Right field.

The second game will be started immediately after the first is over. Gero and Humphrey will be the battery for the Saints and Brogan and Mills for the Clippers.

The Nassau Boat Club, New York, drove his craft in 1:24 3-5. In 1891 Joe Berger of Cambridge, Mass., at the National regatta held that year on the Potomac, made the quarter mile in 1:29.

## Fake Bunt Assists Base Runners

Stealing third has always been regarded as a stiff proposition, chiefly because of the short throw to third by the catcher, but the Giants are turning the trick frequently, aided materially by the batter.

The trick worked by the McGraw crew is called the "fake bunt." With a runner on second, with none on or with one out, the signal is passed and as the pitcher starts his delivery the runner makes his usual bluff to go to third.

It is not unusual for the batter to lay down the ball under such circumstances, and in this case the man at the plate uses every means to make the infielders believe he intends to do so.

The batter if successful with his bluff, draws in the third baseman, but as the ball comes to him he draws back, permitting it to pass. The third sacker, having been coaxed to draw in, leaves the base unguarded, and it is an easy matter for the runner to reach it.

If the bluff works the stealing of third is a cinch, and it is equally easy for a man on first to reach second, once the play is started.
