ARRANGEMENTS ARE COMPLETE FOR CAN. AMATEUR CHAMPIONSHIPS

Over Eighty of Fastest Skaters in Canada and United States to Start on Lily Lake Wednesday and Thursday

Joe Moore is here, Charles Jewtraw and Russell Wheeler will arrive today, so the International, American National and Canadian National speed skaters will all compete for honors in the Canadian Championships on Lily Lake Wednesday and Thursday.

Jewtraw is Coming. The wire assuring Jewtraw's arrival was received yesterday by the Y. M. C. I. committee who are attending to all the details which concern the Canadian classic which is being held under their auspices.

Charles Jewtraw. Charles Jewtraw is the other skater who proved Charlie Gorman's most serious competitor last year at the International meet, and all things would point to the three being the big rivals again on Wednesday and Thursday.

Richard Donovan. A flash of scarlet darting in and out amongst the skaters yesterday with a long, smooth curve that seemed to carry him on without the slightest effort, led many to ask who was the skater. He was Richard Donovan, of the Lake Park Club, of St. Paul.

Valentine Blais. Valentine Blais also from Lake Placid is a skater of promise, like Boyd he is now fifteen years of age. Already this year at Lake Placid he has skated a mile in the last time of 2 1/2 minutes, 46 seconds.

Orlie Green. Orlie Green in the sixteen year old class from Saranac Lake, just a few miles from Lake Placid.

Harold Fortune. The best known junior of the lot perhaps is Harold Fortune, Harold is now fifteen years of age. He was the winner of all the fourteen-year-old events in both the American meet at Saranac Lake, and the International indoor Championships at Lake Placid.

Raymond Murray. Another 181st Street skater of New York city is Raymond Murray, Joe Moore's young nephew. It might be said here that skating is seemingly a gift of the Moore family, for young Murray yesterday stroked out and went over the course with almost the same identical action as his big uncle.

Robert Hearn. He has never finished in anything but first place in the 200 for the last three years, and has done the same thing in the 400 for two years.

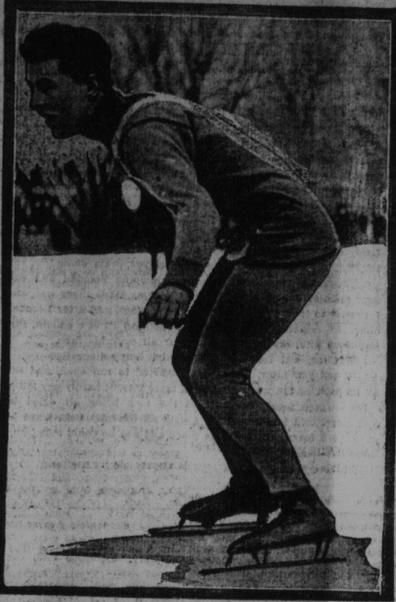

Bobby Hearn. Bobby Hearn is the skater from New York's "Carleton," which is also "over the bridge and across the river."

Patrick Hennessy. Patrick Hennessy, the Mayor of Lake Placid Village, is in charge of the boys, wearing the yellow and black. He is not a skater himself, but will no doubt do most of the thinking for his squad and will be able to give them many points in generalship.

Leslie Boyd. The Lake Placid men were to be singled out yesterday by their black and yellow uniforms. Leslie Boyd, was one of the delegation with a string of records behind his name.

When Moore got the skates things began to happen. He clinched the city championship of New York at the age of fifteen, the Eastern Indoor Skating Championship in the Brookline Ice Palace in 1919, and in the same year won the two mile North-Saransk Championship at St. Paul.

JOE MOORE

Joe Moore is here, Charles Jewtraw and Russell Wheeler will arrive today, so the International, American National and Canadian National speed skaters will all compete for honors in the Canadian Championships on Lily Lake Wednesday and Thursday.

International amateur champion, week when, unfortunately for him, he came in front of other skaters and was disqualified. He was second in points however, Jewtraw winning the largest number. The champion is a skater who is always out to win, and while a dangerous man in the sprint it is said to be a top-notch in the longer distance events.

are much pleased with the fine gymnasium equipment that has been placed at their disposal along with the spacious swimming pool and the showers.

What is probably the last entry to receive Saturday night, that of Earl Finch, of Lake Placid, N. Y., for all events for boys of fifteen and under. The Lake Placid skaters arrived in the city at 6:30 yesterday morning, and put up at the Dufferin.

The stars who arrived Saturday were Joe Moore, international amateur skating champion; William Murphy a good one, the High School players and Raymond Murray, international ten-year-old champion, all of New York; Robert Hearn, Brooklyn, and Richard Donovan, St. Paul. Master Murray is accompanied by his mother, and Joe Moore, his uncle, will also look after the midget speedster.

Lily Lake will undoubtedly be the popular winter resort from now until the championships are finished. Young and old lovers of speed skating will be seen in that vicinity looking at the skaters in practice. It need not be expected that any one skater will be seen at his best before the time to start in a race, but it will indeed be an interesting sight to see the style of different skaters, how they work on the corners, and just what kind of a stride they have on the stretches.

There are very few skaters who have the same style, and it is indeed very interesting to witness the fast one both in training and in a race. Everything possible is being done to make the visitors welcome to St. John.

There is much speculation regarding the outcome of the championships, and Charlie Gorman, of course, is St. John's best hope. It must be remembered, however, that Frank Garnett and Murray Bell showed speed while away last winter, and last but not least Hilton Belyea if going in his real old style, will make a good bid for the long distance events.

All that is wanted is the weather a good sheet of ice, and then may the best man win.

The number of entries for the big meet now total eighty-two, the pick of the fastest amateur skaters of Canada and the United States, and are as follows:—

E. Stevenson, Toronto; William Donovan, Minneapolis; Harry Thorne, Toronto; Joseph Yoerber, Montreal; George Pickering, Paterson; Russell Wheeler, Montreal; Bobby Hearn, New York; William Murphy, New York; Raymond Murray, New York; Joe Moore, New York; Charles Jewtraw, Lake Placid; Harold Fortune, Lake Placid; David Patrick, Winnipeg; Leslie Boyd, Lake Placid; Val Blais, Lake Placid; R. Y.M.C.A. Seniors Defeated Trojans

Fast Basketball Game Saturday Night — High School Intermediates Won from the St. David's.

One of the largest crowds of any season who have been following the Saturday night City League Basketball games featured in the Y. M. C. I. witnessed the game of the year when the Y. M. C. A. Seniors defeated the Trojans by the close score of 27 to 20 last Saturday night.

The intermediate game between the High School and St. David's was a well played match as well, the Red and Grey players winning from the Saints by a score of 24 to 13.

The senior game was a fight from start to finish, and the brilliant play of the forwards of the two teams was only matched by the stone-wall defence against which they had to compete.

The interest of the fans throughout the first half was fanned to fever heat as each team's tally was duplicated by their opponents, so that when the whistle blew for half time the score stood, Seniors 18, Trojans 17.

The battle was equally stubborn in the final period, although the Seniors managed to secure an edge on the play, and a few minutes from the end the lead put up by the school boys was leading 24 to 20, tacking on three additional points before the final whistle.

George Margets refereed the first period and C. H. Merseaux acted as umpire, exchanging positions in the last half.

The lineup follows:— Seniors: Willet, Smith, Evans, Nixon, Marshall, Borbridge, Fraser, Potter, Frost, Wilson, E. W. Stirling, Y. M. C. I. Physical Instructor, referee.

Trojans: Kerr, Urquhart, Malcolm, MacGowan, Garrett, Cross and Shaw. Despite the score, the game between the High School and St. David's was a good one, the High School players having to work hard in the second half especially, when St. David's scored 9 points to the High School's 12.

The lead put up by the school boys in the first half however accounted for the one sided score in their favor 24-13. The lineup follows:— High School: Fraser, Lee, Potter, Frost, Wilson, E. W. Stirling, Y. M. C. I. Physical Instructor, referee.

St. David's: Pearson, Christopher, Stirling, MacMurray, Worden, Y. M. C. I. Physical Instructor, referee.

NATIONAL HOCKEY LEAGUE GAMES PLAYED SATURDAY

Ottawa World's Champions Defeated St. Patrick's Five to Two—Toronto Played Short on Account of Penalties—Canadiens Trimmed Hamilton Ten to Six.

Toronto, Jan. 15—The world's champion Ottawa Senators are well out in the lead in the National Hockey League race as a result of the 5 to 2 defeat handed to the St. Pat's at the Arena here last night, and the locals are being closely pressed by Dandurand's Canadiens for second place, the Montrealers being only one game behind the green and white.

While the better team won the local game, it was the most unsatisfactory hockey game that has been staged in this city for some time, at least the last ten minutes were as during that time two goals were scored by the winners when the locals were playing two or three men short on account of penalties inflicted by Percy Lesueur.

Entering the last period with the score 2 to 1 in favor of Ottawa, and with the visitors having been the better team, the game promised to produce a close finish such as featured the other meeting of the two clubs in this city.

To increase the excitement, Reg Noble scored the goal that opened the score for the second time, thirty seconds after the play started in the last period. This caused the play to speed up and Cy Demenny again put the visitors in the lead on a rebound, with play much faster than in the previous part of the game, both goals were attacked in turn and Noble and Broadbent each took a trip to the penalty bench.

Cy Demenny commenced a trip along the left boards and was stopped by Dye, who was given a penalty, the referee claiming that he used his elbow in tossing Denny. Dye protested and used some unparliamentary language to the referee, and the penalty was increased to five minutes. Dye did not stop even when he reached the penalty box, and Lesueur increased the penalty to a match one, the locals playing the last eleven minutes without either Dye or a substitute.

At the moment later Noble went off for sinning, and then Randall was chased for knocking Guard over.

With the locals three men short, and only Stuart, Randall and Beach on the ice to staff off the Senators' attacks, the result was inevitable, and too much credit cannot be given these three for the great defensive game they put up. Time after time the Ottawa attackers came down and got inside the outer pair, only to be turned away by Beach, and the display that the youngsters gave will long be remembered by the large crowd of spectators. It was undoubtedly one of the greatest exhibitions of goal keeping that has ever been witnessed in this city.

Gerard, Nighbor and Benedict were the outstanding players, although young Clancy, who was used a great deal more Saturday night than on the previous visit of the champions, was prominent all through the time he was on the ice, and there is no doubt that he is all that the Ottawa fans claim he is. The lineup:— Ottawa: Goal, St. Patrick's: Benedict, Roach, Stuart, G. Boucher, Cameron, Centre.

Nighbor: Noble, Broadbent, Randall, Demenny, Substitutes: F. Boucher, Corbett, Denny, Bell, Clancy, Stackhouse, Bruce, Nolan.

Summary: First period—1, Ottawa, Cy Demenny, 1.00. Second period—2, St. Pat's, Dye, 4.00; 3, Ottawa, Nighbor, 11.00. Third period—4, St. Pat's, Noble, 1.30; 5, Ottawa, Cy Demenny, 2.00; 6, Ottawa, Cy Demenny, 9.00; 7, Ottawa, Broadbent, 1.00.

Second period: 1—Canadiens, S. Cleghorn, 4.00; 2—Canadiens, O. Cleghorn, 1.30; 3—Hamilton, Malone, 9.00; 4—Canadiens, Pitre, 1.45.
