IN THE COURTS.

Application Made for the Winding U of the May Queen Steamship Com pany, Ltd.

Aplication was made before Justice McKeown Saturday morning for the winding up of the May Queen Steamship Company Ltd. on petition of Keith A. Barber, a shareholder of the company. The petition was not read, as prelimin-ary objections were taken to the affidavit supporting the petition. Consequently no grounds for the order asked are disclosed.

Francis Kerr appeared Saturday morn-ing for the petitioner; J. B. M. Baxter, K. C., for Mrs. Addie M. McLean,mort-gagee. and shareholder, Captain R. H. Weston and Bruce V. Weston share-holders; W. A. Ewing K. C. for C. F. Sanford, president and shareholder. All of these were in support of the petit-ion.

ion. G. H. Belyea appeared for Captain Fred H. Colwell, mortgagee and share holder and D. Mullin K. C. appeared co ditionally to take preliminary objec-tions for Mrs. Theresa Farren, Mrs. shareholders opposed to the application Mr. Mullin took the preliminary of ection that the affidavit of verifi-

e because food will be exported, and be because food will be exported, and will become scarcer. If more food is drawn into the United States from Can-ada, Argentina, Australia, and other countries, surely food in the United States will become more abundant and therefore cheaper. If scarcity will pro-duce dear food in Canada, surely abun-dance will produce cheaper food in the United States. United States. The Pow's contention is that the tariff. makes no difference because the com-bines control prices. We do not deny the power of the combines, but if the tariff has no influence, how is it that food is cheaper in England, which does not produce enough for its own con-

food is cheaper in England, which not produce enough for its own sumption, than in Canada and the U ed States, which produce a large sur, of food? Is not the explanation fo, in the fact that Great Britain dra freely upon the whole world for for , Que., Oct. 26-Lying in a

The Winnipeg Post says that the new American tariff will not lower the cost of living in the United States, but that it will increase the cost of living in Can-ada. How can this position be main-tained? If food will become dearer in Canada through the Wilson tariff, it will
