You too can have the charm of "A Skin You Love to Touch"

SOFT, smooth skin, the clear glowing complexion that everyone admires — these you, too, can have.

Whatever the condition that is keeping your skin from being as attractive as it should be, it can be changed. In a much shorter time than you would imagine, your skin will respond to the proper care and treatment.

Why your skin can be changed

Your skin changes continually. Every day it is being renewed. Old skin dies—new forms. This is your opportunity, for as this new skin forms, you can keep it fresh, soft and clear as Nature intended.

Is your skin dull, lifeless, colorless? Begin to-day, as the new skin forms, to make it clear and glowing. If you are troubled by an oily skin—shiny nose—begin to-day to correct it.

Learn just what is the proper treatment for your particular trouble, and use it persistently every night before retiring. In the Woodbury booklet, "A Skin You Love to Touch," you will find simple, definite instructions for your own and many other troublesome conditions of the skin. Within ten days or two weeks of the use of the proper Woodbury treatment, you will notice a decided improvement.

How to get these treatments

The Woodbury booklet of skin treatments is wrapped around every cake of Woodbury's Facial Soap. For a month or six weeks of any Woodbury treatment a 25c. cake will be sufficient. Woodbury's Facial Soap is on sale at drug stores or toilet goods counters throughout the United States and Canada—wherever toilet goods are sold.
