CAMPUS MAIL

This year, unlike any other year, UNB Orientation '87 is opening its doors to more creative, energetic and highly responsible UNB students. We are establishing seven working committee consisting of 1-2 Orientation executive members and a group of 5 UNB students, not only enthused about Orientation '87 but also about a specialized area of their interest within the orientation program.

This application is designed for UNB students who are familiar and interested in the NEW Orientation sub-committee program. This is not to be confused with the general application for the Orientation '87 committee, which will be available at the "Second General Meeting", Sunday February 1, MacLaggan 105, 7:00 pm.
