

# Dixie Westways point in right direction

Dixie Royals Westways, unbeaten in league and exhibition games this season, kept their record intact with a pair of victories in Metro Toronto Hockey League action last week.

First Westways downed Bert Robinsons 3-1 then chalked up their fourth peewee division victory, 7-1 over an outclassed York Mills squad.

The results boosted Dixie's Westways' league-leading point total to eight.

Scott Mailloux paced Dixie peewees to their 3-1 conquest of Robinsons. He scored a pair of goals, Dave Roswell added another, while Edgar Lange contributed a pair of assists.

Controlling the run of play right from the opening faceoff, the Dixie team piled up an impressive lead in the early going against York Mills.

Randy Roy was the leading point-getter with a pair of goals. Singles came

from Steve Cruikshank, Craig Hebbelwaite, John Morrison, Dave Cook and Mailloux.

All in all, Dixie Royals Rep teams played a total of 12 games during the week, winning seven and losing four. One ended in a tie.

Dairy Queens of the tyke division are still looking for their first points after four league games.

They lost a pair, (first a 4-3 squeaker against Etobicoke

Canucks, then a '9-0 no-contest to Royal York) last week.

Battling back from a three-goal deficit, Dairy Queens got a pair of goals from Maurice Connell and another from Matt Ballick to even the count at 3-3. But a goal late in the third period tipped the outcome in Canuck's favor.

Minor Atom South Peel Autoparts split a two-game slate.

First they went down 3-0 to

Toronto's Young Nats, then rebounded with a hard-fought 2-1 victory over Royal York. Dave Marchiori and Mike Vrbenski supplied the fire power.

Mike Davies scored a goal in each of the Atom Blairs 3-1 win over Robinsons and a 1-1 tie with Clairlea.

The results gave Blairs a record of two wins, a tie and a defeat. Shawn Mon-Borquette and Doug Renshaw got the other markers in the 3-1 victory.

Minor bantam Telecasts matched the peewee's heroics, scoring back-to-back wins over Agincourt (2-1) and Toronto Kings (3-1).

Mike Piccininni and Scott Killin supplied the ammunition in the triumph over Agincourt, while Piccininni, Killin and Bob Cunneyworth were on target again in the 3-1 dethroning of the Kings.

Doug Moses tended goal for Telecasts in both games.

McLaughlin bantams won 3-1 against Trend Flooring (Tom Taylor, Chuck Broxterman and Rick Watts scored) then lost to Faustina by a 4-2 count.

## Bowling toumey

Janet Peck and Susan Pearson combined forces to capture the senior girl's doubles championship crown at the Village Bowl youth tournament last week.

Miss Peck rolled 844 points, while Miss Pearson checked in with a 601 for an accumulated total of 1,445.

Garry Deacon topped the boys' field with 768. Tony Broxterman, with 699, supplied the necessary backing for a win in the senior boys' division.

## Young on target

Steve Young's hat trick effort enabled Clarkson peewees to start the 1971 exhibition season on a winning note.

Clarkson defeated Malton 3-1 in an interesting game at Malton Arena. Tony Taylor's goal was the only answer Malton could provide to Young's three goals. Malton peewee teams had a rough time in other games too.

Erindale got two goals from Bob Boys and singles from Dan White and Al Beiko in a 4-1 victory over Malton B. Blair Jones replied for the losers.

This shot nearly accounted for Mississauga Towers minor atoms Reps' third goal against Etobicoke in a Metro Toronto Hockey League game. The puck whistled past the post by inches wide of its target. Reps won 2-1.

Another Malton side went down 4-2 to Dixie. Craig Meddock got a pair and Steve Hope and Hennrickson singles for the winners. Malton's goals came from Ron Van Bilsen and Ron Stranka.

John St. Onge's two-goal output led Erindale to a 6-1 conquest of Lorne Park. Bob Hossack, Dave Fowler and Steve Casselman got the others, while Lorne Park's goal came from Steve Rumble.

Dixie defeated Cloverleaf 3-2 on goals by Tom Delamare and Tony Caccia. Andy Choles and Cliff Bellenger replied for Cloverleaf.

Other exhibitions saw Clarkson win 3-0 over Cawthra (Doug Wright, Alex Schemper and Roy McGregor scored).

## Four by two in tyke game

Four tyke A players came up with two-goal performances each as the Mississauga Hockey League had its first exhibition games.

Bill Giffin and Doug Rowswell each scored twice in Cloverleaf's 6-1 win over Port Credit at Port Credit

Arena.

Paul Sustronk and Ken Gillies netted singletons, while Stewart Fowles took care of Port Credit's solitary marker.

Dale Anderson and H. May each turned the two-goal trick for Applewood in a 6-1 win over Cawthra. May also had a pair of assists. Don Fagan and E. McGynn rounded out the scoring for the winners. Scott Setterfield fired Cawthra's marker.

Lorne Park made Jon Hamling's goal stand up for a 1-0 triumph over Cooksville.

The elected executive members list includes Bob Smith, Don Ray, Mrs. Jean Abbott, Jack Ramsay, Jim McGowan, Dale Sharpe, Eric Page and Don McMillan.

## Arsenal beaten in cup

Mississauga Arsenal must wait until next year for another opportunity to win a soccer silverware.

Coach Geoff Whitehead's junior A squad blew its last chance losing 3-0 to Hamilton in the semi-finals of the Boychuk Cup competition Sunday afternoon.

The Boychuk Cup, open to teams playing in the junior A section of the National Soccer League, is an annual competition named after former Toronto alderman William Boychuk, a long-time supporter of the ethnic-oriented soccer loop.

It was a strange-looking Arsenal team, which completed the season on a losing note. Geoff Whitehead Jr., the team's striker and top goal-getter, tended goal for most of the second half because of a shortage of players.

Arsenal played with 10 men, giving Hamilton a man advantage. Hamilton turned this advantage into a 2-0 lead by the end of the first half and had little trouble increasing its lead to three goals during the second 45 minutes.

"We played relatively well and had an edge, but could not score," said coach Whitehead.

## Goodyear's big day

Goodyear bowlers had a great day registering high triple aggregate for teams in the W. H. Thomson major five-pin bowling league.

Their 4,241 score and team victory enabled the Goodyear bowlers to remain in championship contention with 10 points. Goodyear and Slowpokes are tied for fourth place with identical records.

Nico's A team checked in with the high single score (1,457).

W. Percy took most of the individual honors with high single flat (352) and high single handicap (372) scores. His 372 was good enough to win the weekly prize.

awarded to the bowler with the highest score (with or without handicap).

R. Merton had high triple flat with 890, while J. McLaughlin's 989 was the winner in the high triple with handicap category.

Top averages were turned in by H. Wessels (258), J. Varriano (257), B. Corona (255), M. Filipuzzi (252), C. Canonoco (250), S. Liessi (250), E. McNulty (248), A. Pilicotto (248), R. Merton (247) and N. Fatica (247).

Korn Auto Parts still lead the 12-team loop with 14 points, two ahead of Mavis Welding and Tonolli Metals. Goodyear and Slowpokes have 10 points each, followed by Nido's A (9½), Thomsons and Dibble Heat (9 each), Kennedy Shell (8), ANAF (7), Cayers (4½) and Nido's B, without a point.

Don Maxey also reserved his place in the 300-plus club with a 303 single but it wasn't good enough to best Bob Lindsay's best single game of the day at 375. Bob also racked up an 823 triple, closely followed by Don Wilson who had a 310 single game and an 813 triple.

Members of the 200-plus club in this league are Earl Raine, 239; Jim Maxey, 238; Bob Lindsay, 236; Gord Leslie, 235; Murray May, 225; Tom Marks, 223; and
