

MEMORANDUM

slu.
4/5/1901
To the Secretary-

Ottawa 4th May 1901-

Referring to Memorandum of the Deputy Minister of the 3rd Instant, I beg to say that I do not know of any recommendation having been made for providing timber land or wood for the Indians of the Fisher's Grant Reserve, County of Pictou, N.S.

Mr. Agent J.R. McDonald recommended in 1899 that an addition of 80 acres be purchased for this Reserve at a cost of \$1200.00, but he expressly represented that this addition was required not for wood purposes but to supply the Indians with more arable land, of which, he stated, they were deficient. There being no Funds, the purchase was not made.
