Dear Mr. King  
The photos of  
Stamun Indian and I spoke to you of  
in my last in preparation to that I cannot  
yet send you one. The smaller reproduction in  
last year's Waterloo Hist. Socy. Report, which I  
think you have, appears not to be improved on.  
I inadvertently left with you, when at your  
home, copy of a letter, etc. if it has not wandered  
to waste basket, will you pl. return to me, and oblige  
Wm. H. Mackenzie King  
Ottawa.

Your very truly,  
W. H. Stewart
