MEMORANDUM :

The Committee on Nominations for Section II. has given very careful consideration to the names which are before us for election. There are four vacancies in the Section this year and it has been decided to recommend the election of Professor E. J. Pratt, University of Toronto, Professor Fred Landon, University of Western Ontario and Mr. Diamond Jenness, Chief of the Anthropological Division, National Museum, Ottawa, leaving the fourth choice to the discretion of the Fellows.

DUNCAN C. SCOTT  
Chairman of Committee.
