he was willing I should do so. if I
wished so I accepted it and was
appointed. As I was very busy here
threshing, I ^{had taken} took no part whatever in the
campaign but some time later
Mr Hopkins addressed a meeting in our
village. I was chairman at his meeting
and merely introduced the speakers.
and a few days later I received two
notices which I am enclosing you
by registered mail. but giving no reason
whatever. I might also state that
I made them no promise of help.
whatever. I had no intention of helping
Mr White. but they would not allow
me to even be a Progressive; altho
they are so anxious for their support
now. I am enclosing you those notices
as you might possibly find them of
some use. to you. if not will you
kindly return them to me.

Respectfully Yours
