OTTAWA, March 10, 1933.

Dear Dr. Grant:

I have your letter of March
8th with enclosures.

I do not feel that I would
be justified in signing the communication referred
to, as I do not think such should be signed by
members of the Government.

Yours very truly,

Arthur Meighen.

Dr. W. L. Grant,
Principal,
Upper Canada College,
Toronto, Ont.
